STRENGTHS

-  **Reconciliation Focus**
Tracked differences back to source transactions, then documented clear resolutions. Reviewers gained confidence in monthly balances.
-  **Documentation Discipline**
Built orderly invoice, asset, reimbursement, and audit files. Colleagues could find support without repeated follow up.
-  **Cross Team Partnership**
Worked with procurement and operations when coding details were unclear. Conversations became practical, respectful, and productive.
-  **Concurrent Work**
Balanced close tasks, invoice questions, and audit requests under interruption. Priorities stayed visible and deadlines remained manageable.
-  **Accounting Judgment**
Researched unusual balances before posting corrections. That pause helped protect accuracy and strengthened reviewer trust.

SUMMARY

Accountant with three years of professional experience supporting fixed assets, general ledger accounting, **accounts payable**, procurement, reconciliations, journal entries, financial reporting, and audit preparation. Applies GAAP, internal controls, and disciplined documentation practices across public service and regulated operating environments. Experienced with Oracle, OnBase, Microsoft Excel, Microsoft Word, **purchase requisitions**, **purchase orders**, **account reclassifications**, revenue reporting, budget monitoring, accounts receivable, fund accounting, governmental accounting, and grant accounting. Progressed from transaction and reconciliation work into broader ownership of fixed asset records, invoice workflows, and audit schedules. Organizes concurrent deadlines, researches variances, prepares clear supporting records, and communicates accounting requirements across finance, procurement, operations, and external audit teams.

EXPERIENCE

Accountant, Fixed Assets

Cedar Valley Water Services  October 2025 - September 2026  Chesterfield, VA

Managed fixed asset accounting, purchase order records, invoice workflows, reconciliations, journal entries, and audit support for utility equipment and facility improvements. Coordinated with procurement, operations, accounts payable, and accounting reviewers while maintaining accurate Oracle and OnBase documentation.

- Managed utility fixed assets, validating capitalization support, classifications, useful lives, and retirement records before monthly close.
- Reconciled **Oracle** fixed asset subledger activity, researched source transactions, and prepared supported adjusting entries for review.
- Reviewed **purchase requisitions** and purchase orders, resolving coding and documentation exceptions with **procurement** and operations staff.
- Processed **OnBase vendor invoices**, matching purchase orders and receiving records for accurate accounts payable treatment.
- Prepared monthly reclassification **journal entries** and deposit support, preserving schedules that traced balances to source documentation.
- Compiled fixed asset, invoice, reconciliation, and contract records for auditors, closing documentation gaps before fieldwork.

Staff Accountant, General Ledger

Piedmont Civic Services  October 2024 - September 2025  Henrico, VA

Maintained general ledger schedules, reconciliations, journal entries, financial statement support, accounts receivable records, and audit documentation. Worked across purchasing, billing, and operations to research accounting questions, resolve discrepancies, and support **budget monitoring** under established GAAP procedures.

- Maintained **general ledger** schedules, completing monthly **reconciliations** and documenting reconciling items through resolution.
- Posted recurring and adjusting journal entries, validating **chart of accounts** coding and retaining support for review.
- Prepared financial statement sections and variance schedules, comparing actual activity with budgets and prior period balances.
- Monitored **accounts receivable** and cash application records, researching unmatched receipts for accurate revenue recording.
- Organized audit schedules, transaction samples, and explanations requested by **finance** leaders and external auditors.
- Researched purchasing, billing, and operational records, translating findings into recommendations consistent with GAAP procedures.

Junior Accountant, Grant Accounting

Commonwealth Community Programs  October 2023 - September 2024  Mechanicsville
