

Madeline Benitez

Administrative Assistant, Public Safety Administration

☎ (478) 555-2846 ✉ madeline.benitez@example.com

🌐 linkedin.com/example/madelinebenitez 📍 Warner Robins, GA 31088

STRENGTHS

- 🔒 **Confidential records**
Handled sensitive personnel and research files under supervision, and became a trusted resource for careful file control.
- ♥ **Document preparation**
Prepared correspondence, reports, lineups, and briefings with consistent formatting, a habit that kept reviews moving smoothly.
- 📅 **Calendar coordination**
Resolved simulated scheduling conflicts through Outlook priority rules, and learned that clear calendar notes prevent repeat questions.
- 📅 **Payroll accuracy**
Entered work hours and checked totals against source documents, catching discrepancies before weekly training submission.
- 💬 **Public service communication**
Practiced routing inquiries and explaining procedures in plain language, earning positive feedback from faculty and peers.

SKILLS

- Administrative support
- Confidential records
- Calendar management
- Microsoft Word Microsoft Outlook
- Microsoft Excel
- Microsoft PowerPoint
- Adobe Reader Payroll data entry

SUMMARY

Early career administrative professional with two years of supervised office support, academic research, and public administration practice. Prepared correspondence, reports, lineups, briefing materials, and **operational documents** using **Microsoft Word** and PowerPoint. Maintained confidential records, **appointment calendars**, audit sheets, databases, file indexes, and timekeeping information with consistent accuracy and discretion. Entered work hours into payroll workflows, reconciled source documents, and researched Georgia local government procedures, statutes, ordinances, and internal policies. Communicated procedural information clearly during simulated **public inquiries** and routed requests through appropriate channels. Experience includes Microsoft Outlook, Excel, Adobe Reader, scanning, copying, mail distribution, multi line telephone procedures, and document control. Ready for a structured administrative setting where careful records work and respectful service support public safety operations.

EDUCATION

Associate of Applied Science in Business Administrative Technology

Central Georgia Technical College 🎓 GPA: 3.8 📅 2026 📍 Warner Robins, GA

Coursework: *Records administration, Microsoft Office applications, business communication, public administration*

MY CAREER

● Public Administration Office Practicum at University Project (8 Months)

● Government Records Research Assistant at Academic Research (4 Months)

● Administrative Operations Simulation at Course Project (4 Months)

- Indexed 300 sample **records** in Excel, then reconciled entries against source documents for completeness.
- Prepared formal **correspondence**, briefing materials, and operational **reports** in Word and PowerPoint.
- Entered simulated work hours into **payroll** workflows, verifying totals before weekly submission.
- Researched Georgia **procedures** and separated statutory requirements from internal policy guidance.
- Presented calendar control, records retrieval, inquiry routing, and confidentiality practices to faculty and peers.
- Organized **confidential** mock personnel files and departmental reference materials for simulated municipal operations.

Government Records Research Assistant

Academic Research 📅 August 2025 - December 2025 📍 Macon, GA

Supported faculty directed research on public sector **records administration** by cataloging ordinances, policies, procedural references, and sensitive course materials. Built searchable tracking resources, prepared research summaries, indexed scanned files, and incorporated faculty feedback into a final briefing.

- Cataloged ordinances, **policies**, and procedural references for a faculty directed research dataset.
- Created an **Excel** workbook tracking source status, review notes, and document categories.
- Drafted **research** summaries and formatted citations in Word for faculty review.
- Scanned paper materials, applied standardized filenames, and verified digital copy readability.
- Managed sensitive research files according to faculty instructions and controlled access carefully.
- Presented **records** organization and retrieval methods after incorporating feedback from two faculty reviewers.

Administrative Operations Simulation

Course Project 📅 January 2025 - May 2025 📍 Macon, GA

Completed supervised office operations training for a fictional public service department. Practiced scheduling, telephone response, correspondence, records control, mail distribution, **document preparation**, and issue resolution using standard office software and equipment.

- Managed a shared **Outlook** calendar and routed meeting requests using documented priority rules.
- Recorded simulated telephone details and directed inquiries through multi line call scenarios.
- Produced **lineups**, memos, reports, and mail logs using Microsoft Office and **Adobe Reader**.
- Resolved incomplete forms and conflicting entries through documented review and escalation.
- Reviewed portfolio files and corrected naming, formatting, and index discrepancies before assessment.
- Practiced **scanner**, copier, **calculator**, and standard office equipment procedures during classroom exercises.

PROJECTS

Municipal Records Control Workflow 📅 2026

Created a supervised records workflow connecting confidential files, calendar control, audit sheets, payroll support, correspondence, and inquiry routing for a simulated municipal office.

Georgia Administrative Procedures Research 📅 2025

Compiled ordinances, policies, and procedural references into organized research materials, distinguishing statutory information from internal guidance for faculty review.
