EXPERIENCE

Pretrial Supervision Officer

Cross Timbers Justice Services 📅 January 2024 to Present 📍 Fort Worth, TX

Manage adult pretrial caseloads involving court ordered reporting, residence verification, drug testing, electronic monitoring, case documentation, referrals, and court communication. Apply documented risk and compliance information when setting contact schedules, addressing concerns, and coordinating factual updates with justice system partners.

- Set **risk based reporting** schedules for adult clients, improving follow through on **court ordered conditions**.
- Conducted **residence contacts** and explained bond requirements in English or Spanish, clarifying expectations for clients.
- Reviewed **criminal history** and current charge information, then updated supervision plans for court partners.
- Prepared case notes, status summaries, and court documents covering residence, employment, family contacts, and violations.
- Coordinated prosecutors, judges, **law enforcement**, counselors, and providers around referrals and compliance concerns.
- Collected **urine specimens** and supported electronic monitoring assignments, providing factual testimony about client adherence.

Community Supervision Case Officer

Brazos Community Corrections 📅 July 2022 to December 2023 📍 Weatherford, TX

Supervised **adults** under community based court requirements through structured reviews, office and field contacts, electronic files, referrals, progress reporting, and ethical case actions. Balanced changing risk information with client needs while presenting verified facts for **justice system** decisions.

- Used structured case reviews to adjust **reporting schedules** when risks, needs, or **compliance** patterns changed.
- Maintained electronic files with verified residence, **employment**, family, legal history, contact, and referral information.
- Conducted client and reference interviews, using **limited counseling** techniques to clarify requirements and next steps.
- Referred clients to substance use, behavioral health, employment, and community services, tracking provider communication.
- Prepared violation and progress summaries that separated verified facts from client statements for case decisions.
- Applied confidentiality, safety, and ethical standards during contacts while completing scheduled case actions.
