### STRENGTHS

- 🗣️ **Customer listening**  
Careful intake turned vague vehicle concerns into useful notes, and technicians gained a clearer starting point for inspection.
- 📅 **Service coordination**  
Appointment planning considered bay capacity, repair timing, parts, and tools, reducing surprises before work began.
- 🗣️ **Complaint handling**  
Routine concerns received calm updates and clear next steps, helping customers feel heard during uncertain repairs.
- ♥️ **Record accuracy**  
A habit of checking details caught missing vehicle, parts, and labor information before records reached shop teams.
- 🔧 **Technician support**  
Reviewing upcoming jobs with shop personnel revealed small resource gaps early, which kept scheduled work moving.

### EXPERIENCE

#### Assistant Service Advisor

Desert Trail RV Service 📅 February 2024 - Present 📍 Henderson, Nevada

- Supports daily **RV service** intake, advisor coordination, technician communication, work order preparation, customer updates, parts readiness, **repair records**, and follow up. Connects customer needs with shop capacity and available resources, helping repairs move forward with clear documentation and fewer avoidable interruptions.
- Translated customer concerns into clear RV work order notes, improving technician access to useful repair context.
  - Verified customer, vehicle, parts, and labor details in shop software before **repair documentation** moved forward.
  - Reviewed scheduled jobs with technicians, identifying parts and tool needs before **service appointments** reached repair bays.
  - Provided repair updates and handled routine concerns, escalating technical or authorization questions for timely resolution.
  - Tracked **parts used** and **repair time**, correcting incomplete entries so service histories stayed accurate and useful.
  - Followed up after completed repairs, documenting remaining concerns and coordinating return service when inspection was needed.

#### Service Coordinator

Mojave Auto & Recreation Service 📅 October 2022 - January 2024 📍 Las Vegas, Nevada

- Coordinated automotive and recreational vehicle appointments, **service desk** intake, electronic records, parts replenishment, customer updates, complaint documentation, and shop support areas. Matched requested work with **technician capacity** while giving advisors and technicians consistent information for inspection, planning, and customer communication.
- Matched automotive and RV appointment requests with available technician time, keeping service planning practical.
  - Greeted customers at service intake, documenting symptoms in clear language for inspection and planning.
  - Corrected missing contact, vehicle, and service details before electronic **work orders** reached shop personnel.
  - Compared scheduled **repair needs** with parts and supply levels, helping prevent avoidable service delays.
  - Handled routine complaints professionally, recording expectations and routing technical or pricing questions to advisors.
  - Maintained organized service counters, waiting areas, and shop support spaces under established procedures.
