SUMMARY

Finance professional with over 4 years of experience in investment banking and corporate finance. Proven expertise in financial modeling, credit analysis, and portfolio management drives significant business growth. Collaborative project work with cross-functional teams enhances strategic contributions. Comprehensive analytical support includes managing internal compliance requirements and producing management reports that inform critical decision-making. Enjoys engaging clients during pitches, translating complex financial information into actionable insights. A strong commitment to building equitable employment environments fuels eagerness for a role at Jobs for Humanity.

EXPERIENCE

Investment Banking Associate

Greenwood Capital 📅 January 2023 - Present 📍 Chicago, IL

Role encompasses collaboration with Corporate Banking Analysts and Portfolio Managers, facilitating comprehensive financial analyses and client support on various initiatives.

- Partnered with Corporate Banking Analysts to enhance decision-making through intricate financial modeling and credit analyses.
- Communicated effectively during client pitches, simplifying complex financial data to align stakeholder interests.
- Ensured compliance adherence along with thorough preparation of management reports to support regulatory obligations.
- Conducted insightful portfolio monitoring, identifying trends contributing to impactful strategic recommendations.
- Coordinated closely with Relationship Bankers to optimize credit lending solutions, enhancing overall client satisfaction.
- Played a key role in developing innovative financial products by collaborating across departments, fostering competitive positioning in the market.

Financial Analyst

Evergreen Financial Group 📅 June 2021 - December 2022 📍 Chicago, IL

Focused on delivering analytical support for credit evaluations while working collaboratively within diverse teams to streamline processes.

- Enhanced risk evaluation frameworks for new clients, leading to significant improvements in accuracy.
- Developed dynamic financial models that supported strategic planning and bolstered investment decision-making.
- Collaborated on projects aimed at refining reporting processes, noticeably reducing turnaround times for key deliverables.
- Identified new investment opportunities through extensive market research, positively impacting company growth metrics.
- Contributed actively to the training of junior analysts, promoting continuous learning within the team.
- Managed relationships with clients, ensuring open lines of communication and prompt resolution of inquiries.
