STRENGTHS

- ⚡ **Breaking News Leadership**
During fast coverage, created clear publishing paths so hosts and producers could act with confidence.
- ✅ **Editorial Judgment**
Protected accuracy and context during urgent packaging decisions, earning trust from newsroom partners.
- ♥️ **Audience Analysis**
Turned retention and reach patterns into useful choices. Editors often sought guidance on tough calls.
- 👥 **Cross Team Coaching**
Built rapport with hosts, editors, and producers, then helped teams adopt practical platform habits.
- ⚙️ **Workflow Building**
Created checklists and playbooks after seeing missed handoffs, giving busy teams a steadier process.

SUMMARY

Audience engagement and digital news leader with 10 years of experience growing audiences for live, breaking, and on demand news across **YouTube, TikTok**, Instagram, Facebook, X, Threads, and emerging platforms. Leads **distribution strategy**, vertical video programming, live streams, VOD, Shorts, titles, thumbnails, descriptions, and **platform native storytelling**. Uses audience behavior, watch time, reach, retention, traffic sources, engagement, and KPI trends to guide practical editorial decisions. Builds repeatable workflows, playbooks, publishing standards, and real time protocols for major events. Coaches hosts, producers, editors, and social publishers through influence and clear feedback. Brings sound editorial judgment, curiosity, concise communication, and respect for journalistic integrity. Ready to apply this newsroom experience in an on site audience leadership role that connects strong coverage with meaningful audience growth.

EXPERIENCE

Senior Audience Development Manager

SignalPoint News Network 📅 July 2023 - Present 📍 Austin, TX

Leads audience strategy for a 24 hour digital newsroom, supporting live **breaking news, long form video**, clips, and vertical storytelling across YouTube and major social platforms. Influences editorial leaders, hosts, producers, and publishers through practical guidance, repeatable systems, and performance reviews.

- Directed **live news** distribution across YouTube and social platforms, improving daily packaging decisions
- Guided producers on titles, thumbnails, descriptions, timing, and programming using **watch time** patterns
- Built real time protocols for elections, weather, public safety, and major breaking news coverage
- Created platform playbooks for TikTok, Reels, Shorts, **Facebook**, X, and Threads
- Translated retention, traffic sources, reach, and engagement into concise weekly recommendations
- Coached teams through format tests, **emerging platforms**, and accurate context during fast coverage

Audience Engagement Lead

MetroStream Media 📅 March 2020 - June 2023 📍 Denver, CO

Led social and YouTube distribution for regional and national news, connecting editors, producers, hosts, and publishers through clear workflows. Supported live streams, VOD packages, vertical clips, rapid updates, and performance reporting during major events.

- Led live streams, **VOD**, vertical clips, and rapid updates during major news events
- Connected editors, producers, **hosts**, and publishers through repeatable **breaking news** workflows
- Used YouTube Analytics and social insights to identify programming and packaging opportunities
- Introduced headline and thumbnail reviews that aligned **framing** with viewer expectations
- Produced leadership briefs covering **KPI** progress, failed tests, trends, and expansion opportunities
- Mentored **producers** on hooks, vertical structure, captions, live context, and audience interaction

Social Video Producer

FrontRange Digital News 📅 August 2017 - February 2020 📍 Denver, CO

Produced breaking news video for YouTube, Facebook, Instagram, and X, adapting **presentation** for each channel while protecting accuracy. Built publishing checklists, tested vertical formats, and connected audience response with editorial planning.

- Produced breaking news video for YouTube, Facebook, **Instagram**, and **X**
- Packaged live and recorded coverage with titles, **descriptions, thumbnails**, captions, and context

MY CAREER

- Senior Audience Development Manager at SignalPoint News Network (3.2 Years)
- Audience Engagement Lead at MetroStream Media (3.2 Years)
- Social Video Producer at FrontRange Digital News (2.5 Years)
- Digital News Producer at Lone Star Public Media (1.1 Years)

- Monitored audience response during developing stories and surfaced timing insights to editors
- Built publishing checklists that improved metadata accuracy and newsroom coordination
- Tested vertical explainers and documented pacing, framing, and mobile viewing lessons
- Connected **watch time**, completion, engagement, and referrals with content decisions

Digital News Producer

Lone Star Public Media 📅 June 2016 - July 2017 📍 San Antonio, TX

Published local news and live event coverage for web, YouTube, and social channels in a deadline driven newsroom. Converted reporting into digital packages, supported verified updates, and documented publishing standards for distributed teams.

- Published local news and live event coverage across web, **YouTube**, and social channels
- Converted broadcast reporting into digital packages with platform appropriate headlines and descriptions
- Supported weather, civic events, and breaking stories through verified newsroom updates
- Reviewed audience analytics after major stories to guide schedules and presentation choices
- Maintained editorial calendars and publishing queues for upcoming coverage commitments
- Documented newsroom handoffs that improved consistency for evening and weekend teams

PROJECTS

Breaking News Distribution Playbook 📅 2024

Built a repeatable reference for live event packaging, platform selection, verification handoffs, and audience updates. Shared practical guidance with newsroom partners so coverage moved clearly from confirmed information into channel native presentation.

Vertical Video Programming Lab 📅 2022

Tested short form news structures across TikTok, Reels, and Shorts, then documented hooks, pacing, captions, and framing. Findings helped producers share stronger mobile stories while preserving context and editorial standards.

LEADERSHIP & AWARDS

- Recognized by newsroom leadership for clear audience guidance during major breaking news events.
- Selected by peers as a trusted coach for platform native video packaging and publishing workflows.
- Led cross team learning sessions that helped producers apply analytics during live coverage.
