SUMMARY

Customer focused barista with three years of **coffee service** and cashiering experience across busy cafe and **campus dining** settings. Prepares espresso drinks, brewed coffee, tea, seasonal beverages, and food orders with consistent recipes, presentation, and **quality standards**. Processes counter, cash, POS, and mobile orders accurately while keeping **waiting customers** informed and service moving during evening rushes. Maintains clean, labeled, stocked counters and displays through active service, then completes opening, operating, sanitation, and closing routines independently. ServSafe certified, comfortable discussing featured products, sampling coffee and tea for quality assurance, resolving routine concerns, supporting student associates, and reinforcing appearance expectations. Brings dependable communication, safe chemical handling, manual dexterity, and stamina for extended standing, lifting supplies up to 30 pounds, and late evening operations.

EXPERIENCE

Barista

Keystone Coffee House 📅 February 2025 - Present 📍 Allentown, PA

Supports high volume cafe service across espresso, brewed coffee, tea, seasonal beverages, counter orders, mobile pickup, product presentation, sanitation, stocking, customer care, and independent evening closing operations.

- Prepared espresso, **coffee**, tea, and **seasonal beverages** using recipes that kept presentation consistent across shifts.
- Processed POS and **mobile orders**, verified modifications, and organized pickup flow for accurate **customer service**.
- Discussed roast profiles, tea selections, and featured **beverages** using sampling notes for practical recommendations.
- Maintained labeled displays, stocked supplies, and clean counters throughout evening service and customer demand.
- Resolved routine order **concerns** courteously, remade products when appropriate, and preserved positive guest experiences.
- Completed independent closing checklists, replenished supplies, recorded shift needs, and prepared stations for opening.

Student Barista

Campus Cafe Program 📅 September 2023 - January 2025 📍 Bethlehem, PA

Delivered campus coffee and grab and go service around class schedules, balancing cashiering, beverage preparation, sanitation, stocking, quality checks, shift transitions, and student associate support.

- Delivered coffee, **tea**, and grab and go service during frequent student rush periods and class changes.
- Operated cash registers and **POS terminals** while balancing ordering, payment, preparation, and pickup tasks.
- Followed **food safety** procedures for equipment, counters, utensils, storage, and approved **cleaning chemicals**.
- Restocked cups, ingredients, packaged products, and **displays** using labels and rotation practices for late demand.
- Sampled coffee and tea products during supervised quality checks and recorded flavor observations for customer **questions**.
- Completed cleaning and stocking tasks during shift transitions while reinforcing service and appearance expectations.

PROJECTS

Campus Beverage Quality Review 📅 2024

STRENGTHS

Rush Service

Kept orders moving during evening rushes, and teammates relied on calm organization when customer lines grew.

Customer Care

Answered coffee questions and resolved routine concerns at the counter, leaving customers feeling heard and welcomed.

Quality Focus

Used recipes, sampling notes, and presentation checks so each beverage matched expected taste and appearance.

Shift Readiness

Completed closing routines independently, replenished supplies, and left stations ready for following staff.

Safe Service

Applied sanitation procedures and safe chemical handling during active service, cleaning, and product preparation.
