STRENGTHS

- 👥 **Audience Connection**
Structured role play helped create welcoming interactions for students, alumni, prospects, and community guests.
- 🗣️ **Nonverbal Performance**
Practice sessions clarified how timing, gestures, and body language can carry character without spoken dialogue.
- ♥️ **Safety Awareness**
Readiness checklists kept hydration, breaks, fit reviews, crowd spacing, and issue reporting visible before appearances.
- 👥 **Team Coordination**
Handler rehearsals made entrances, exits, navigation, and scheduled recovery feel organized rather than improvised.
- 🕒 **Reliable Preparation**
Repeated simulations built punctual habits, careful costume checks, and steady follow through during changing event plans.

Promotional content

SUMMARY

College communication student with approximately one year of supervised campus performance, student event, and promotional experience. Practiced expressing a defined character through movement, timing, body language, **crowd interaction**, and other **nonverbal communication**. Built welcoming interactions for current students, **prospective students**, alumni, employees, classmates, faculty, and community guests during athletics themed simulations and school spirit programs. Prepared for photo and video shoots, **promotional campaigns**, recruitment activities, and event demonstrations while coordinating entrances, exits, crowd spacing, scheduled breaks, hydration, costume checks, and issue reporting with assigned handlers and event leads. Reliable with changing event schedules, evening and weekend availability, safety procedures, confidentiality, and professional conduct. Brings a thoughtful, energetic presence that supports positive audience experiences and helps campus teams deliver organized, inclusive, and memorable events.

MY CAREER

● Mascot Performance and Fan Engagement Project at University Project (1.1 Years)

● Campus Promotions Content Project at Student Innovation Lab (4 Months)

● Student Event Operations Simulation at Course Project (4 Months)

- Developed a mascot routine translating character traits into consistent **movement, timing,** and audience cues
- Rehearsed safe walking and gesturing with planned hydration and break intervals in event spaces
- Tested audience interactions and refined visibility, pacing, **body language,** and welcoming gestures
- Coordinated entrances, exits, **navigation,** and crowd spacing with a designated student handler
- Documented costume inspection, care, **fit concerns,** and issue reporting in a reusable checklist
- Presented a live simulation while completing setup, performance, and debrief requirements on schedule

Campus Promotions Content Project

Student Innovation Lab 📅 January 2026 - May 2026 📍 Peoria, IL

Supervised promotional content project combining short form video, staged photography, and a school spirit appearance. Supported production planning, performer recovery, camera awareness, audience safe interaction, confidentiality, costume care, and clear coordination across a four student team.

- Created a promotional concept combining short form video, staged photos, and **school spirit** performance
- Planned nonverbal performance beats around camera framing and event timing for clear character communication
- Practiced audience safe movement and greeting sequences for small groups and photo opportunities
- Coordinated shot order, appearance timing, location readiness, and recovery intervals with production teammates
- Reviewed practice footage and refined gesture clarity, pacing, energy, and character consistency
- Delivered a promotional presentation covering **safety, confidentiality,** costume care, and handler coordination

Student Event Operations Simulation

Course Project 📅 January 2025 - May 2025 📍 Peoria, IL

Course based event operations simulation focused on athletics themed programming, recruitment interactions, audience flow, and organizer communication. Built practical readiness systems for briefing, costume fit, hydration, breaks, appearance windows, safe routes, and post event condition reporting.

- Designed an **athletics** event plan defining performer touchpoints, audience flow, timing, and organizer communication
- Practiced welcoming prospective students, current **students, alumni,** and community guests through structured role play
- Built a readiness checklist covering briefing, costume fit, **hydration,** breaks, and condition reporting
- Adjusted performer routes after crowd flow reviews to preserve visibility and reduce congestion
- Used peer feedback to improve nonverbal cues, **energetic** movement, and audience boundaries
- Presented an operating plan and demonstration with dependable preparation and event lead coordination

PROJECTS

Campus Spirit Media Simulation 📅 2026

Created a supervised media concept for student activities, combining photo moments, promotional video, audience interaction, and consistent nonverbal character performance.

Athletics Event Readiness Plan 📅 2025

Built a practical event plan covering performer timing, handler communication, safe movement, hydration, crowd flow, costume checks, and post event reporting.
