SUMMARY

Business Administrator with 8 years of progressive experience supporting **academic finance**, sponsored research, and shared administrative services. Leads annual budgeting, quarterly forecasting, financial modeling, variance analysis, procurement, internal controls, expense reporting, and decision ready reporting through BusinessObjects, advanced Excel, and **Google Sheets**. More than **5 years of grant administration** experience covers complex pre award proposals, proposal budgets, award setup, post award monitoring, sponsor reporting, compliance, and closeout. Partners with faculty, program directors, central administrative offices, Human Resources, finance, procurement, and research teams to resolve issues and guide resource allocation. Brings practical judgment to financial sustainability, workflow improvement, and administrative service quality across varied funding portfolios.

EXPERIENCE

Senior Business Administrator, Academic Finance

Lakeview University 📅 July 2023 - Present 📍 Madison, WI

Leads finance and research administration for academic programs and sponsored projects, connecting reporting, forecasting, compliance, procurement, and Human Resources support with sound operational decisions.

- Directed annual budgets and quarterly forecasts for **academic programs** and sponsored projects, clarifying funding risks.
- Built BusinessObjects reports and Excel models with **pivot tables**, improving decision ready financial visibility.
- Managed complex pre award proposals, award setup, post award monitoring, sponsor reporting, and grant closeout.
- Advised faculty leaders on resource allocation and multiyear spending scenarios, supporting sustainable financial plans.
- Documented procurement approval paths and **internal controls**, resolving **expense reporting** exceptions with central finance.
- Coordinated **appointment changes**, **financial coding** updates, job descriptions, and recruitment administration for program teams.

Business and Grants Administrator, Sponsored Research

Prairie State College 📅 May 2020 - June 2023 📍 Rockford, IL

Managed operating budgets and sponsored funding for academic and outreach programs, combining grant administration, forecasting, compliance guidance, and cross functional service coordination.

- Managed operating forecasts and sponsored funding plans, explaining material variances to program directors.
- Prepared **proposal budgets** and financial documents, coordinating routing, **award setup**, monitoring, and closeout records.
- Applied sponsor terms and **institutional policies** to purchasing, payroll allocations, expense transfers, and reporting questions.
- Created **Google Sheets** models with **complex formulas** and pivot summaries for staffing and spending scenarios.
- Coordinated Human Resources, finance, **procurement**, and research teams to resolve appointment and award issues.
- Standardized grant and finance checklists, improving handoffs and clarifying deadlines for faculty and staff.

Financial Analyst, Program Finance

Great Lakes Institute 📅 June 2018 - April 2020 📍 Milwaukee, WI

STRENGTHS

- ♥️ **Financial storytelling**
Turns budget results into practical guidance for directors and faculty, helping leaders see choices clearly during planning discussions.
- 📌 **Grant lifecycle ownership**
Managed proposal budgets through closeout, and became a dependable resource when award details or sponsor requirements grew unclear.
- ✍️ **Reporting improvement**
Replaced fragmented spreadsheets with consistent BusinessObjects and Excel views, giving colleagues a calmer path to monthly reviews.
- 💎 **Cross functional service**
Connected finance, Human Resources, procurement, and research teams during difficult cases, so issues moved forward with context.
- 💡 **Practical process leadership**
Documented approval paths and checklists after seeing repeated handoff gaps, making daily administration easier for program staff.
