SUMMARY

Campus safety professional with five years supporting middle school, high school, and adolescent learning environments through **student supervision**, **conflict mediation**, incident response, attendance support, and coordinated safety operations. Daily work has included patrols across entrances, hallways, common areas, dismissal zones, outdoor spaces, and event settings. Experience includes applying **school rules** within defined authority, de escalating disputes, verifying passes, managing visitors, documenting incidents, using student information systems, and communicating by **two way radio**. Calm judgment supports safe decisions during medical calls, unauthorized visitor concerns, physical confrontations, and changing campus conditions. Strong working relationships with students, families, teachers, administrators, emergency responders, and law enforcement support respectful outcomes. Comfortable with extended walking and standing, outdoor assignments, keyboard use, and on call coverage during the traditional school year.

EXPERIENCE

Campus Safety Specialist

Silver Oak Secondary Academy 📅 August 2023 - Present 📍 San Jose, CA

Support safety operations for a secondary campus serving approximately 1,100 students. Maintain visible coverage, coordinate radio communication, document incidents, and guide timely responses for administrators, families, visitors, and emergency personnel.

- Patrolled entrances, halls, lunch areas, dismissal zones, and outdoor spaces, supporting orderly student movement.
- De escalated student disputes through calm intervention, separation, fact gathering, and administrative referral.
- Verified schedules, **attendance** details, and approved passes through a student information system.
- Coordinated radio updates during medical calls, visitor concerns, searches, and campus movement issues.
- Secured access routes, guided responders, and provided **minor first aid** during emergency incidents.
- Built family trust through consistent expectations, respectful communication, and timely behavior referrals.

Student Safety Monitor

Evergreen Youth Learning Center 📅 June 2021 - July 2023 📍 Santa Clara, CA

Provided daily safety coverage for adolescent academic and enrichment programs. Applied conduct procedures, managed visitor access, recorded incidents, inspected activity areas, and supported staff during elevated student behavior.

- Supervised classrooms, corridors, recreation areas, arrivals, departures, and **special events** for **adolescents**.
- Applied **child guidance** and **de escalation** methods, redirecting disruptive behavior before situations intensified.
- Checked visitor authorization and escalated unidentified individuals according to established access procedures.
- Recorded injuries, **attendance** concerns, incidents, and observations in digital logs for parent communication.
- Supported trained staff during physical confrontations, requesting assistance when risk exceeded assigned authority.
- Inspected activity spaces for hazards, damaged equipment, unsecured access points, and unsafe conditions.
