STRENGTHS

- ✔️ **Reliable Follow Up**
Open requests stayed visible through shared task lists, and callers received clear next steps before work moved on.
- 📞 **Calm Customer Contact**
Telephone conversations became easier for callers after accurate messages and clear routing kept questions moving.
- 📁 **Organized Records**
Careful checks of identifiers and dates helped adjusters and clinic staff retrieve dependable documents quickly.
- ☰ **Flexible Priorities**
When reception and clerical demands collided, task tracking helped maintain service without losing promised follow up.
- 👥 **Team Communication**
Adjusters and office staff relied on concise updates, especially during busy periods with several requests open.

SUMMARY

Early career **claims administrative support specialist** with two years of clerical and **customer service** experience across insurance and medical office settings. Keeps branch workflows organized by processing documents, recording customer and provider requests, updating claims records, and tracking follow up items through completion. Communicates professionally by telephone and in person with customers, medical offices, adjusters, and internal staff. Uses **office equipment** for scanning, copying, mailing, and document preparation while protecting sensitive information. Handles shifting priorities with steady attention to identifiers, dates, required enclosures, and response commitments. Brings practical experience supporting **claims branch operations**, medical records workflows, task lists, correspondence, scheduling documentation, and team coordination. Ready to contribute dependable administrative support that helps claims staff serve customers and providers efficiently.

EXPERIENCE

Claims Support Assistant

Bay State Risk Administrators 📅 October 2025 - Present 📍 Providence, RI

Support **property and casualty claims** branch operations through document processing, customer contact, correspondence, records updates, and follow up coordination. Shift among reception, claims administration, and time sensitive requests while keeping adjuster work queues accurate and organized.

- Organized incoming claim documents, customer messages, provider correspondence, and **follow up** items for adjuster review.
- Recorded **customer** and **medical office** calls, routed claim questions, and tracked requests needing return responses.
- Indexed claim documents and verified identifiers and dates before releasing records into adjuster work queues.
- Maintained shared task lists for forms, **records** requests, and **correspondence** during changing claim priorities.
- Prepared outgoing letters and packets, checked enclosures, and scanned, copied, and routed materials accurately.
- Supported high volume periods by shifting among reception, document processing, and follow up work.

Administrative Clerk

Oceanview Medical Offices 📅 October 2024 - September 2025 📍 Warwick, RI

Supported front office operations for a multi provider clinic through **telephone** service, records requests, appointment documentation, correspondence, and controlled **document handling**. Balanced reception demands with clerical follow up while keeping patient and provider communication accurate and professional.

- Managed patient calls, record requests, appointment documentation, and routine correspondence for daily clinic operations.
- Logged insurer and authorized party requests, verified information, and routed medical record questions appropriately.
- Organized electronic and paper documents, correcting incomplete indexing for reliable staff retrieval.
- Scanned, copied, mailed, and prepared documents while keeping sensitive materials controlled throughout processing.
- Tracked open requests and completed promised **follow up** with patients, providers, and internal staff.
- Captured accurate messages and directed clinical or coverage questions to appropriate personnel.
