### STRENGTHS

- 💙 **Calm Medical Coordination**  
During clinical movements, kept communication clear and custody safeguards visible, helping nurses and officers address concerns without confusion.
- 🔍 **Post Inspection Discipline**  
Shift turnover became a reliable checkpoint for keys, restraints, radios, logs, and emergency equipment, preventing avoidable gaps.
- 💙 **Accurate Reporting**  
Incident and movement reports captured useful timelines and follow up needs, giving supervisors a clear basis for decisions.
- 📌 **Custody Awareness**  
Tracked inmate status across housing and treatment settings, adjusting safeguards as conditions changed and maintaining accountability throughout.
- 🌙 **Overnight Reliability**  
Extended night assignments demanded steady focus. Maintained coverage, equipment control, and professional conduct through changing conditions.

### SUMMARY

Correctional officer with three years of experience supporting **secure custody, inmate accountability, institutional safety**, and medical movement in medium and maximum security environments. Maintains current awareness of inmate security status, applies safeguards during hospital and clinic appointments, and conducts post inspections covering keys, restraints, radios, logs, and emergency equipment. Prepares clear incident, movement, equipment, operational, and administrative reports for supervisory review. Communicates calmly with nurses, clinicians, officers, and supervisors when security concerns arise, preserving clinical access without weakening custody requirements. Experienced with overnight assignments, extended shifts, inmate escorts, de escalation, policy compliance, and equipment accountability. Holds State **Correctional Officer** Training Academy Certification, CPR and AED certification, and a valid South Carolina driver's license. Prepared to contribute dependable judgment and disciplined hospital security support.

### EXPERIENCE

#### Correctional Officer, Secure Treatment Operations

Piedmont Secure Treatment Center 📅 May 2025 - Present 📍 Spartanburg, SC

Supports custody, accountability, and safety for medium and **maximum security** inmates across housing, movement, medical appointments, and supervised treatment activities. Provides reliable coverage during twelve hour and overnight assignments while coordinating respectfully with medical personnel and correctional supervisors.

- Maintained custody during medical movements, preserving continuous observation and accountability across secure treatment activities.
- Inspected posts at shift turnover, verifying restraints, keys, radios, logs, and emergency equipment before assuming duty.
- Coordinated hospital appointments with **medical personnel**, applying safeguards based on current inmate **security status**.
- Resolved concerns from nurses and security staff through calm assessment, clear communication, and timely escalation.
- Prepared incident, movement, equipment, and **operational reports** with accurate timelines and follow up needs.
- Sustained post coverage during overnight assignments, maintaining equipment accountability and **policy compliance** throughout extended shifts.

#### Correctional Officer, Medium Security Operations

Upstate Correctional Center 📅 October 2023 - April 2025 📍 Greer, SC

Supervised inmate activity within a medium security environment, managing counts, movement controls, post orders, security checks, medical escorts, and administrative documentation. Coordinated with officers and healthcare staff during behavioral and medical events while protecting safety and clinical access.

- Supervised **medium security** housing activity, maintaining counts, movement controls, post orders, and scheduled security checks.
- Controlled keys and security equipment through documented issue, transfer, return, and shift reconciliation procedures.
- Inspected posts and controlled areas, identifying procedural gaps and reporting conditions requiring supervisory attention.
- Escorted inmates to medical services, applying restraints and custody procedures according to classification and **security status**.
- De escalated inmate concerns during medical events, preserving safety while allowing healthcare staff continued access.
- Completed daily logs, incident reports, and administrative records with concise detail for supervisory review.

## MY CAREER

● Correctional Officer, Secure Treatment Operations at Piedmont Secure Treatment Center (1.4 Years)

● Correctional Officer, Medium Security Operations at Upstate Correctional Center (1.5 Years)

## PROJECTS

### Hospital Movement Security Review 📅 2026

A careful review of medical movement routines showed how small checks protect everyone. Mapped status verification, escort preparation, post coverage, and communication steps into a practical workflow for safer clinical access.

### Overnight Post Accountability Plan 📅 2025

Night work calls for steady attention when activity changes quickly. Built a structured review concept covering keys, radios, restraints, logs, emergency equipment, and shift handoff details for dependable post control.

## LEADERSHIP & AWARDS

- Selected for trusted overnight assignments requiring sustained custody awareness and dependable post coverage.
- Recognized by supervisors for clear incident documentation and calm communication during medical security events.
- Provided peer support during shift transitions by reinforcing equipment accountability and post procedure checks.
