STRENGTHS

- 🔒 **Secure document handling**
Protected sensitive materials through route manifests and custody checks. Handoffs stayed clear, and recipients gained confidence in delivery records.
- ✉️ **Mail screening**
Questionable items were separated before distribution. A calm review habit helped keep normal mail flow orderly and safe.
- 🔑 **Access control**
Verified visitors, vendors, employees, and couriers at entry points. Teams relied on clear decisions during busy coverage periods.
- 🚚 **Route coordination**
Balanced scheduled stops with urgent requests and changing priorities. Accurate notes kept service recipients informed when plans shifted.
- ♥️ **Safety administration**
Maintained inspection records, incident notes, and access files. Small documentation details made follow up much easier for supervisors.
- 👥 **Customer service**
Handled delivery questions with patience and clear records. Internal recipients received practical updates instead of vague answers.
