

Ariella Briggs

Dental Assistant

JULY 17, 2026

Aspen Dental
Hiring Manager
Homestead, PA

Dear Hiring Manager,

I am excited to apply for the Dental Assistant position at Aspen Dental. This opportunity caught my attention due to my passion for patient care and my expertise in the field.

At University Project, I took part in a hands-on experience, ensuring patient comfort during various treatments. I collaborated effectively with fellow team members while consciously managing the flow of patients.

Additionally, my role as a Dental Research Assistant allowed me to delve into crucial research on oral hygiene practices. I gathered data and presented results clearly and concisely, fostering better community programs.

Hesitation did creep in at times, especially when managing classroom expectations versus real patient care scenarios. But the growth from those experiences ignited a deeper commitment to continuous learning. I genuinely enjoy educating patients about their oral health.

I am strongly aligned with your goal of delivering exceptional patient care. Continuous growth and flexibility are vital in today's dental practices, making me a fitting candidate for your team.

Thank you for considering my application.

Sincerely,

Ariella Briggs
