SUMMARY

California licensed municipal and **transactional** attorney with 10 years advising public agencies, governing officials, executives, and business stakeholders on complex contracts, procurement, **real estate**, infrastructure, and regulatory matters. Guides projects from early structuring and competitive solicitation through negotiation, drafting, administration, claims analysis, performance issues, and dispute resolution. Drafts and interprets leases, licenses, permits, construction agreements, concession arrangements, service contracts, and other property documents. Translates statutory, contractual, regulatory, and litigation risk into practical recommendations for **public officials**, department staff, and operational leaders. State and federal litigation experience strengthens preventive counseling and dispute strategy. Clear legal writing, sound judgment, persuasive **oral communication**, and collaborative client service support defensible public sector decisions across transportation and commercial environments.

EXPERIENCE

Senior Deputy Counsel, Transactions

Coastal Transit Legal Authority 📅 January 2024 - Present 📍 Long Beach, CA

Lead transactional counsel for public infrastructure, commercial property, procurement, and vendor matters. Advise executive staff and governing officials across **project structuring**, contracting, administration, claims, and dispute resolution.

- Structured construction agreements for public infrastructure projects, aligning procurement requirements with practical delivery risks.
- Negotiated **leases** and **licenses** for public facilities, clarifying access rights, insurance, defaults, and tenant obligations.
- Advised **procurement** teams on solicitations, bid protests, evaluation issues, and defensible award documentation.
- Analyzed contractor **claims** through agreement language and project records, preserving options for negotiated resolution.
- Presented concise recommendations to officials and department staff, translating statutory and contractual risk into decisions.
- Reviewed **permits** and operating arrangements, connecting commercial terms with regulatory and operational requirements.

Deputy Counsel

Harbor Municipal Counsel Group 📅 July 2021 - December 2023 📍 San Pedro, CA

Served as primary adviser for municipal commercial agreements supporting transportation facilities, public property, construction, and revenue generating operations. Counseled managers and public officials on transactions, performance matters, property issues, and settlement strategy.

- Negotiated **concession agreements** covering rent, maintenance, indemnity, **insurance**, termination, and performance standards.
- Reviewed procurement packages before solicitation, identifying contract risks that could complicate award or administration.
- Guided managers through amendments and performance deficiencies, grounding options in agreements and project records.
- Analyzed **land use** and environmental questions affecting municipal facilities, coordinating input across legal disciplines.
- Prepared governing body materials and memoranda, making complex legal reasoning accessible for public decision makers.
- Addressed **landlord tenant** and property questions, helping departments resolve operational concerns before escalation.

 - Researched contract and real property questions, informing litigation strategy and preventive **client counseling**.
 - Reviewed project records for notice, indemnity, performance, and evidentiary issues before claims advanced.
 - Prepared hearing materials with authorities, exhibits, witness information, and concise summaries of disputed issues.
 - Supported administrative proceedings involving public agency decisions, preserving organized records and clear legal arguments.
 - Communicated with agency staff, opposing counsel, and court personnel while managing concurrent deadlines.

PROJECTS

Municipal Airport Commercial Agreements 📅 2025

Public infrastructure works best when legal structure supports reliable service. Developed a transaction framework for airport style leases, licenses, permits, concession agreements, and construction contracts, connecting procurement, property, insurance, and operational concerns through clear agreement terms.

Public Property Lease Risk Review 📅 2023

Sound public service starts with decisions people can defend. Created a review approach for lease interpretation, tenant obligations, access rights, defaults, amendments, and landlord tenant concerns across municipal facilities.

LEADERSHIP & AWARDS

- Recognized by public agency leadership for clear recommendations on sensitive transactions and performance disputes.
- Selected for increasingly complex municipal assignments involving procurement, real estate, infrastructure, and litigation risk.
- Entrusted with governing body materials and senior official briefings requiring sound judgment and concise legal writing.
