SUMMARY

Court **records** professional with 3 years of **related experience** supporting legal document intake, criminal case records, **vital records**, public service, payment processing, and high volume clerical operations. Reviews submissions for completeness, required information, signatures, and internal consistency before recording, indexing, routing, or escalating questions. Handles court costs and service fees, reconciles cash drawers, prepares transaction reports, and maintains dependable financial documentation. Scans **official records**, verifies image quality, applies manual index fields, and protects accurate retrieval across electronic and paper files. Provides courteous service in person, by telephone, email, fax, and mail. Familiar with passport service support, certified copy requests, vital record eligibility review, computerized data entry, Microsoft Office, word processing, and file maintenance.

EXPERIENCE

Court Records Clerk

Hill Country Municipal Court Services 📅 May 2025 - Present 📍 Georgetown, TX

Supports criminal **case intake**, court record updates, public counter service, payment processing, scanning, indexing, correspondence, and file maintenance for a busy municipal court operation.

- Reviewed criminal filings for signatures and required information before accurate case entry and routing.
- Collected **court costs** and service fees, reconciled cash drawers, and prepared daily transaction documentation.
- Scanned case materials, verified **image quality**, and applied correct index fields before electronic filing.
- Resolved routine record questions through computerized searches, then routed restricted requests to court personnel.
- Maintained paper and electronic files while moving time sensitive correspondence through assigned **court** workflows.
- Supported visitors and callers by **telephone, email**, and in person with clear procedural guidance.

Records Services Assistant

Central Texas Records Office 📅 October 2023 - April 2025 📍 Round Rock, TX

Supported public record and vital record workflows through request screening, computerized entry, image review, **manual indexing**, payment support, **customer service**, and mail processing.

- Screened vital record requests and identification documents before forwarding eligible certified copy applications.
- Entered applicant data into records systems and cross checked indexed values against source documents.
- Prepared **records** for **scanning**, reviewed captured images, and applied manual fields for dependable retrieval.
- Explained routine procedures at the counter and by telephone, referring unusual requests to senior staff.
- Processed **mail**, assembled copies, and routed correspondence through established records tracking practices.
- Compared receipts with collected amounts and flagged payment discrepancies for supervisor review.

PROJECTS

Vital Records Request Workflow 📅 2024

Supported a records service workflow that combined request screening, eligibility review, document preparation, scanning, image checks, manual indexing, and accurate certified copy routing.

Municipal Case Intake Support 📅 2025

STRENGTHS

Document Review

At court intake, checked signatures and required fields before entry, catching routine gaps early and keeping files moving.

Cash Handling

Handled fees at a public counter, balanced assigned drawers, and prepared clear reports when each day closed.

Records Accuracy

Compared scanned images and index fields with source records, a steady habit that made retrieval more dependable.

Public Service

Answered callers and visitors with patience, then found the right resource when a request exceeded assigned authority.

Workflow Support

Kept mail, copies, correspondence, and electronic files organized so staff could find materials without delay.
