SUMMARY

Dedicated and experienced Dermatologist with extensive expertise in Medical, Surgical, and Aesthetic Dermatology. Passionate about delivering high-quality care to diverse patient populations while fostering teamwork. Proficient in a wide array of dermatological procedures and treatments, prioritizing patient wellness through innovative solutions. Skilled in establishing effective relationships within multi-disciplinary teams, ensuring optimal patient outcomes. Eager to join an organization that values professional growth and the balance between work and life for its practitioners.

EXPERIENCE

Dermatologist

June 2023 - Present

Blue Sky Dermatology

Irvine, CA

Provide comprehensive medical, surgical, and aesthetic dermatological services within a collaborative team environment. Prioritize patient-centered approaches to enhance wellness.

- Conduct thorough skin examinations and assess patients' conditions accurately.
- Administer various procedural dermatology treatments, including excisions and cosmetics.
- Collaborate effectively with medical staff to implement patient care plans.
- Engage in continuous education to stay abreast of dermatological advancements.

Resident Physician

July 2020 - June 2023

UCI Medical Center

Irvine, CA

Gained hands-on experience managing diverse dermatologic conditions, honing essential skills in patient diagnosis and treatment.

- Participated in multidisciplinary rounds to develop holistic care strategies.
- Performed cosmetic procedures under supervision, ensuring patient satisfaction.
- Established strong relationships with patients, enhancing their trust and comfort.
- Guided medical students in practical applications during clinical rotations.

Intern

May 2019 - May 2020

California Dermatology Clinic

Santa Monica, CA

Supported clinicians in administering dermatological treatments while learning about patient interactions and clinic operations.

- Assisted in patient intake and documented medical histories.
- Learned surgical techniques including suturing and cryotherapy.
- Served as an active participant in patient education sessions on skincare.
- Contributed to optimized workflow processes boosting clinic efficiency.
