SUMMARY

Early career **domestic services aide** candidate with supervised **healthcare housekeeping**, linen operations, and patient clothing room experience in **behavioral health** settings. Maintains clean, neat, safe, and sanitary **patient care areas**, including rooms, corridors, common spaces, service areas, clothing rooms, and clean linen rooms. Processes patient clothing through washing, drying, folding, sorting, labeling, storage, and basic mending while protecting personal property and maintaining accurate records. Handles linen carts, hamper bags, supply counts, replenishment, and organized storage with steady attention to safety procedures. Communicates respectfully with patients, visitors, supervisors, and clinical staff. Brings dependable attendance, careful documentation, and practical experience supporting efficient daily operations in environments requiring background investigation and drug and alcohol testing.

EXPERIENCE

Domestic Services Aide Trainee
Healthcare Support Practicum

January 2026 - September 2026
Grand Rapids, MI

Supported supervised behavioral health housekeeping rotations, patient clothing services, clean linen operations, property records, and supply replenishment. Worked within established sanitation and safety practices while keeping patient care areas and service rooms orderly.

- Maintained behavioral health rooms and corridors using **sanitation** procedures, supporting safe daily patient operations.
- Processed **patient clothing** through **washing**, drying, folding, sorting, labeling, and storage while protecting property.
- Completed supervised garment mending and documented **clothing requests** for accurate return to storage locations.
- Loaded **clean linen** carts, sorted incoming items, prepared **hamper bags**, and staged ward supplies.
- Counted linen and housekeeping supplies, compared stock with unit needs, and replenished routine shortages.
- Cleaned clothing and linen rooms, separated materials, and kept aisles ready for staff retrieval.
- Recorded patient property details, organized belongings, and prepared stored items for efficient discharge processing.

Environmental Services Intern
Community Health Services Internship

May 2025 - December 2025
Wyoming, MI

Completed supervised environmental services assignments across public healthcare spaces, textile supply areas, and community clothing operations. Supported cleanliness, organized storage, supply reporting, safe cart movement, and courteous service around clients and staff.

- Cleaned waiting rooms, restrooms, offices, and client areas using site sanitation procedures.
- Prepared textile supplies by **folding, sorting**, and arranging stock for efficient daily retrieval.
- Recorded **supply counts** and reported low stock items, supporting timely cleaning material replenishment.
- Organized donated clothing and client property through **labeling**, sorting, folding, and designated **storage**.

- Followed **safety** instructions for cleaning products, waste handling, and cart movement through occupied areas.
- Adjusted room priorities from supervisors while maintaining courteous conduct around clients and multidisciplinary staff.

PROJECTS

Patient Clothing Room Workflow 📅 September 2026

Small process changes matter in patient services. Organized clothing requests, labels, storage locations, measurements, and discharge preparation into a clear supervised workflow that supported faster retrieval and careful property handling.

Clean Linen Supply Readiness 📅 December 2025

A clean cart only helps when supplies arrive where needed. Tracked linen counts, sorted items, prepared hamper bags, and arranged replenishment steps for patient care areas.
