STRENGTHS

- ♥ **Trauma informed interviewing**
Uses calm questions and clear boundaries during sensitive intakes. Clients receive space to speak, while reports retain useful facts.
- ♥ **Court ready writing**
Turns records, statements, testing results, and contact history into concise reports. Colleagues rely on clear facts during hearings.
- 🚩 **Risk focused supervision**
Connects offense history, lethality concerns, and compliance patterns with practical supervision decisions. That focus supports safer follow up.
- 👥 **Partner communication**
Keeps prosecutors, advocates, providers, and monitoring staff informed. Shared updates have made difficult cases easier to coordinate.
- ⚖️ **Respectful accountability**
Explains conditions plainly and follows through on concerns. A steady approach supports compliance without losing sight of human needs.
