STRENGTHS

- ♥️ **Safe Equipment Judgment**
A quick inspection before work has prevented unsafe equipment from entering active field assignments.
- ☁️ **Reliable Storm Response**
On call storm work meant clearing access and supporting flood control when conditions changed quickly.
- 👥 **Practical Crew Instruction**
Newer operators received clear guidance on loading and inspections, then applied it confidently.
- ⚠️ **Traffic Control Awareness**
Cone and barricade placement changed with site activity, keeping crews and motorists separated safely.
- 🔧 **Field Equipment Care**
Fueling, washing, maintenance, and minor repairs kept assigned machinery ready for scheduled work.

SUMMARY

Driver and heavy equipment operator with four years supporting road, drainage, and **bridge maintenance** across public works and civil construction settings. Operates dump trucks, tandem trucks, **front end loaders**, compactors, backhoes, farm tractors, tractor trailers, mowers, and related machinery with sound judgment around active crews and traffic. Completes road patching, **culvert installation**, material hauling, roadside mowing, brush removal, sign work, debris removal, traffic control, storm response, and flood control assignments. Performs equipment inspections, fueling, washing, preventive maintenance, and minor repairs, removing unsafe machinery from service when needed. Holds a **Texas Class A Commercial Driver's License** with an N endorsement, exceeding required Class B qualifications. Reliable field support, punctual attendance, practical peer instruction, and on call response help keep public infrastructure work moving safely.

EXPERIENCE

Heavy Equipment Operator

Trinity Plains Civil Services 📅 May 2024 - Present 📍 Fort Worth, TX

Supports road repair, drainage, storm response, and field construction assignments with **heavy equipment** operation, material movement, traffic control, and routine machinery care. Selects suitable equipment for terrain and materials, coordinates movement around active crews, and removes unsafe machinery from service. Provides dependable support during regular assignments and changing weather conditions.

- Operated loaders, compactors, backhoes, tractors, and trailers for road and drainage assignments.
- Hauled gravel, dirt, asphalt, debris, tools, and machinery between yards and field sites.
- Supported **road patching** and culvert installation through excavation, material placement, and compaction.
- Established **traffic control** with cones, barricades, and flagging around active construction zones.
- Completed inspections, fueling, cleaning, **preventive maintenance**, and **minor repairs** before field deployment.
- Responded to storm callouts by clearing debris and supporting **flood control** access routes.

Equipment Operator and CDL Driver

Red River Roadworks 📅 September 2022 - April 2024 📍 Decatur, TX

Operated heavy trucks and construction equipment for roadway maintenance, roadside clearing, sign installation, debris removal, and **material hauling**. Completed daily vehicle checks, prepared work areas, and supported consistent field procedures. Shared practical inspection and loading guidance with newer crew members under supervisor direction.

- Operated trucks, loaders, compactors, tractors, **mowers**, and hauling equipment on roadway projects.
- Drove diesel and non diesel vehicles carrying aggregate, soil, **asphalt**, brush, and equipment.
- Cleared roadside vegetation with tractors, mowers, **chain saws**, and **power tools** for visibility.
- Installed **road signs** by preparing posts, setting cement, attaching hardware, and restoring surfaces.
- Removed trash, storm debris, and vegetation from rights of way for designated disposal.
- Trained newer crew members on inspections, safe loading, and work zone setup procedures.

LEADERSHIP & AWARDS

- Recognized by field supervisors for punctual support during storm and flood response assignments.
- Trusted by crew members for practical instruction on equipment inspections and safe loading procedures.

EDUCATION

High School Diploma

MY CAREER

- Heavy Equipment Operator at Trinity Plains Civil Services (2.4 Years)
- Equipment Operator and CDL Driver at Red River Roadworks (1.6 Years)

Northwest High School 🎓 GPA: 4.0 📅 2022 📍 Fort Worth, TX
***Coursework:** Road maintenance, equipment safety, construction fundamentals, transportation operations*

CERTIFICATIONS

- Texas Class A Commercial Driver's License 📅 2024
- Texas N Endorsement 📅 2024
