EXPERIENCE

Program Administrative Coordinator

Willamette Student Success Collaborative 📅 October 2024 - Present 📍 Salem, OR

Coordinates front office operations for federally supported college access programming, serving students, families, advisors, school partners, and leadership. Owns records, reporting inputs, event logistics, purchasing, financial reconciliation, transportation planning, and confidential communications across multiple active program needs.

- Handled **student inquiries** and appointments through phone support, **email responses**, and advisor coordination.
- Validated eligibility records in tracking systems, protecting FERPA information during reporting and advising workflows.
- Reconciled Banner financial reports with program expenses, purchase orders, and travel documentation for leadership review.
- Coordinated **FAFSA nights**, orientations, seminars, rooms, attendance materials, transportation, and staff schedules.
- Prepared contact summaries and source files supporting grant monitoring and **annual performance reports**.
- Arranged buses, **permission forms**, **emergency contacts**, sign in sheets, evaluations, and supervised student transportation.

Administrative Services Specialist

Cascade Youth Opportunity Center 📅 October 2022 - September 2024 📍 Albany, OR

Supported youth education and career pathway services through reception, applications, **records**, outreach, inventory, purchasing, and event preparation. Connected schools, community partners, students, families, and advisors while keeping program information current and administrative records ready for review.

- Processed applications against **eligibility** criteria, then prepared status letters and electronic participant files.
- Built Excel trackers for attendance, outreach, **inventory**, and deadlines, giving staff one consistent view.
- Prepared newsletters, **informational emails**, and **social media** updates for students and families.
- Maintained grant funded supply and equipment inventories, processing orders with complete purchasing documentation.
- Resolved routine printer, laptop, and meeting room issues before escalating complex technical support needs.
- Coordinated reception, scheduling, school outreach, and community partner **communications** for youth services.
