SUMMARY

Dedicated Electrician and Handyman with over 2 years of experience in electrical installation, maintenance, and handyman services. Proven ability to troubleshoot complex electrical systems while executing general maintenance tasks across commercial and industrial settings. Strong problem-solving skills paired with effective communication foster collaboration among team members and peers. Known for prioritizing safety standards and quality workmanship, delivering consistent client satisfaction. Committed to professional growth through hands-on experience and opportunities in both electrical and facility maintenance operations within a supportive teamwork environment.

EXPERIENCE

Electrician / Handyman Technician

Bright Future Maintenance 📅 April 2025 - Present 📍 Chicago, IL

- Role focused on integration of electrical expertise with various handyman duties. Supported electrical installations and general maintenance tasks to improve functionality in industrial facilities.
- Installed, troubleshot, repaired, and maintained electrical wiring and equipment conforming to rigorous safety standards and codes.
 - Executed minor plumbing, painting, and general maintenance projects ensuring compliance with site specifications.
 - Hung and installed TVs, signs, shelves, and wall-mounted fixtures, improving workspace functionality.
 - Assembled, repaired, and modified equipment and fixtures, directly enhancing operational efficiency.
 - Communicated project details with site managers and clients, guaranteeing adherence to specifications, timelines, and industry safety protocols.
 - Performed diligent upkeep and safety checks to maintain consistently high standards across job sites.

Maintenance Technician

Quality Construction Services 📅 January 2024 - March 2025 📍 South Bend, IN

- Contributed to electrical installations and building upkeep as part of a collaborative maintenance team. Gained valuable skills in managing site logistics and improving service delivery.
- Assisted with the execution of electrical installations, cultivating substantive troubleshooting and repair skills.
 - Collaborated across disciplines to complete handyman tasks, including painting and light plumbing repairs.
 - Safely operated hand and power tools adhering strictly to industry regulations and safety guidelines.
 - Maintained cleanliness and organization of job sites, exceeding standard cleanliness protocols.
 - Interpreted blueprints accurately, facilitating precision in all maintenance assignments.
 - Nurtured client relationships through proactive communication and dedication to quality service.
