## Entry Level MIG Welder

AUGUST 09, 2026

Hiring Manager  
Midway Manufacturing  
North Aurora, IL

Dear Hiring Manager,

I am eager to express my interest in the Entry Level MIG Welder position with Midway Manufacturing. This opportunity captures my attention as it harmonizes seamlessly with both my enthusiasm for welding and the knowledge woven throughout my academic journey.

At Chicago Technical Institute, I immersed myself in MIG welding fundamentals. Each day, I embraced the challenges, whether identifying quality welds or setting up equipment. My university project provided hands-on experience, which enriched my fundamental skills while refining my eye for detail within a collaborative environment.

Moreover, during my internship, I teamed up to explore the nuances of manufacturing. Realizing the workplace often demands flexibility, I adapted to environ variations while maintaining a commitment to quality and safety protocols. Contributing alongside peers was rewarding and further sparked my passion for this trade.

I appreciate the focus Midway Manufacturing places on teamwork and operational excellence. The ethos of supporting one another aligns with my values, fostering growth and improvement within a manufacturing setting. I would be thrilled to have the chance to add to your dynamic team while growing alongside experienced professionals.

Learning the ropes can be tricky, yet those experiences shape one's craft and character. I recognize the potential for growth stemming from collaborative guidance along with the challenges that lie ahead. I'm looking forward to the possibility of contributing to your esteemed facility while continuing to cultivate my skills.

Thank you for considering my application.

Sincerely,

*Tariq Stanley*
