SUMMARY

Event Planning Manager with 11 years delivering corporate, partner, field, and **marketing** events from strategy through evaluation. More than five years leading event professionals and **cross functional** programs, with ownership spanning executive communications, vendor sourcing, RFPs, contracts, budgets, **onsite logistics**, invoices, expenses, and service quality. Advanced Microsoft Excel user who builds budget models, expense trackers, timelines, guest lists, formulas, pivot tables, and **conditional formatting** controls. Career progression reflects increasing responsibility for national conferences, recognition programs, leadership meetings, executive roundtables, client summits, and special events. Coaches teams, aligns marketing, communications, finance, legal, executives, agencies, venues, and suppliers, then uses feedback to improve repeatable delivery. Comfortable with remote leadership, overnight travel, weekend programs, and high visibility work that supports meaningful audience engagement.

EXPERIENCE

Senior Event Planning Manager

Northstar Partner Marketing 📅 January 2022 - Present 📍 Charlotte, NC

Leads annual strategy and delivery for national conferences, recognition programs, leadership meetings, and special events. Manages five event professionals while coordinating executives, marketing, **communications**, agencies, venues, and suppliers. Owns budgets, RFPs, contracts, executive materials, onsite operations, technology evaluation, and post event process improvement.

- Standardized planning gates for national conferences, improving consistency across timelines, deliverables, and stakeholder reviews.
- Coached five event professionals through vendor negotiations, executive readiness, and onsite decisions during high visibility programs.
- Built Excel budget models with **formulas**, **pivot tables**, and conditional formatting for clearer expense control.
- Directed RFPs and **contracts** across venues, production firms, registration partners, transportation providers, and specialty suppliers.
- Created executive briefings and run of show documents that gave leaders clear decisions before delivery.
- Introduced event technology reviews that improved planning workflows and supported more consistent program execution.

Event Programs Manager

SummitBridge Communications 📅 March 2019 - December 2021 📍 Atlanta, GA

Managed executive roundtables and multi day conferences with integrated plans for content, registration, production, hospitality, and communications. Led marketing, communications, finance, legal, and executive partners through milestones, vendor decisions, live delivery, and post event learning. Strengthened recurring programs with practical playbooks and disciplined financial tracking.

- Formalized post event debriefs that converted attendee feedback and vendor findings into recurring program improvements.
- Created Excel workbooks linking **guest lists**, schedules, commitments, **invoices**, and actual expenses for stronger visibility.
- Led RFPs and vendor evaluations for audiovisual, staging, catering, transportation, and staffing requirements.
- Prepared executive agendas, briefing books, speaker materials, and stakeholder **communications** for live programs.
- Resolved **cross functional** dependencies before **milestones**, keeping content, registration, production, and hospitality aligned.

STRENGTHS

Event strategy
