STRENGTHS

- 🔊 **Clear oral reading**
Practice readings built steady pacing and accurate articulation. Facilitators relied on neutral delivery during assessment simulations.
- ♥ **Patient student support**
Peer scenarios reinforced calm communication and respect for individual preferences. Students received space to direct support.
- ♥ **Accessible materials**
Document reviews caught missing text and reading order issues. Careful comparison made converted content easier to use.
- 👁 **Sighted guidance**
Guided peer volunteers with clear directions and student led positioning. Practice strengthened safety and trust.
- 💻 **Assistive technology learning**
Each practicum log captured tool questions and next steps. Repeated practice made new workflows easier to follow.

Confidentiality Patient service

SUMMARY

Early career **academic accessibility support** candidate with supervised university experience delivering clear oral reading, preparing **accessible course materials**, and assisting students during assessment activities. Strong English fluency, careful articulation, patient communication, and respectful attention to student autonomy support accurate exam reading and individualized accommodations. Practicum work includes neutral delivery of quiz and exam questions, accessible document conversion, caption preparation, introductory braille production, and **safe sighted guidance** for blind and low vision peers. Comfortable following accessibility staff direction, learning assistive technology, documenting procedures, and remaining seated during extended testing sessions. Academic projects strengthened accuracy, discretion, confidentiality, and collaboration in structured learning settings. Prepared to contribute dependable, student centered support across examinations and other **academic activities**.

EDUCATION

Bachelor's Degree in Communication Studies

Ball State University 🎓 GPA: 0 📅 2027 📍 Muncie, IN

Coursework: *Accessibility communication, interpersonal communication, educational communication, inclusive learning*

- **Video Captioning:** Caption text, timing review, readability review
- **Screen Access:** Accessible formats, reading order, digital content
- **Assessment Support:** Exam reading, quiz reading, testing sessions
- **Sighted Guidance:** Safe guidance, directional information, student positioning
- **Student Services:** Academic accommodations, student autonomy, patient service
- **Communication Skills:** English fluency, active listening, clear direction
- **Quality Review:** Source comparison, completeness checks, error identification
- **Confidentiality Practices:** Discretion, professional boundaries, accommodation records

EXPERIENCE

Exam Reader, Accessibility Support Practicum

University Accessibility Practicum 📅 January 2026 to Present 📍 Muncie, IN

Supervised practicum supporting examination accommodations, accessible materials, caption preparation, and safe sighted guidance. Followed facilitator direction while maintaining accurate communication, confidentiality, and **student centered** service.

- Read practice exam questions aloud with neutral pacing during supervised accommodation simulations.
- Completed extended mock testing sessions while maintaining clear voice quality and professional boundaries.
- Converted printed and handwritten materials into accessible digital formats with source checks.
- Prepared **captions** for instructional videos and reviewed timing and readability with faculty.
- Practiced **safe sighted guidance** with blind and **low vision** peer volunteers.
- Documented accommodation steps and **assistive technology** questions after each practicum session.

MY CAREER

0
MONTHS

Accessible Materials Project Assistant

University Project 📅 September 2025 to December 2025 📍 Muncie, IN

Academic project focused on converting mixed format course materials, preparing captions, practicing braille output, and organizing review documentation. Presented accessible workflow findings during a seminar for twelve peers.

- Processed 24 pages of readings and worksheets for accessible text conversion.
- Compared converted content with originals and identified omissions, formatting errors, and reading order issues.
- Prepared accessible text and practiced braille output with instructor feedback.
- Captioned three educational clips and checked transcription accuracy and readability.
- Presented conversion methods to a twelve person seminar using clear explanations.
- Organized source files, captions, converted documents, and review notes for reuse.

Inclusive Learning Support Assistant

Student Lab 📅 January 2025 to May 2025 📍 Muncie, IN

Supervised student lab focused on respectful communication, spoken English, accessibility barriers, and individualized academic support. Practiced sighted guidance, document conversion, captioning, confidentiality, and student autonomy through structured scenarios.

- Read assessment prompts aloud using deliberate pacing, accurate pronunciation, and neutral emphasis.
- Practiced concise directions and **safe sighted guidance** in classroom and hallway simulations.
- Evaluated digital and printed materials for basic accessibility barriers during lab exercises.
- Learned **document conversion** and captioning procedures through guided demonstrations.
- Recorded accessibility observations for instructor review and group discussion.
- Applied **confidentiality**, patience, and **student autonomy** principles in written case responses.

PROJECTS

Accessible Academic Materials Project 📅 2025

Worked with classmates and an instructor to review converted readings, captions, and braille output. Shared organized files and practical findings so peers could follow each accessibility workflow.

LEADERSHIP & AWARDS
