SUMMARY

Dedicated electrician with over five years of experience provides high-quality residential electrical services, specializing in panel changes, troubleshooting, and system diagnostics. Passionate about delivering exceptional workmanship while fostering strong client relationships. Proven ability to work effectively within teams and maintain a safety-first approach. Recognized for genuine attitude and commitment to building lasting client trust, contributing to a supportive team environment. Keen on advancing skills alongside industry best practices. Excited about opportunities that promote professional growth while valuing collaboration.

EXPERIENCE

Journeyman Electrician

Bright Spark Electric 📅 June 2021 - Present 📍 Naperville, IL

Oversaw complex residential electrical projects while ensuring adherence to quality and safety standards. Led efforts enhancing efficiency and client satisfaction through service upgrades and troubleshooting.

- Executed panel changes and provided service upgrades, improving electrical safety across countless homes.
- Conducted thorough system diagnostics, identifying issues swiftly, resulting in timely resolutions for clients.
- Delivered expert recommendations tailored to client needs, consistently achieving high-quality service interactions.
- Collaborated actively with a diverse team, fostering an environment that streamlined installations and project timelines.
- Maintained organization of tools and materials on service vans, guaranteeing readiness and effectiveness during client visits.
- Gained excellent feedback from clients for exceptional professionalism and craftsmanship during service engagements.

Electrician

Power Up Electrical Services 📅 March 2018 - May 2021 📍 Aurora, IL

Engaged in hands-on electric projects, honing skills in wiring and installations while exceeding customer expectations.

- Completed multiple rewiring projects adhering strictly to local codes, ensuring enhanced operational safety.
- Assisted with various installations and repairs, bringing consistent excellence and value to client relationships.
- Partook in training sessions that elevated knowledge on evolving electrical industry standards and safety practices.
- Cultivated personal rapport with clients by excelling in communication and reliability, leading to repeat engagements.
- Exhibited a positive, can-do spirit as integral part of fast-paced teams focused on quality outcomes.
- Enforced rigorous safety protocols, promoting a culture sterling focus on working safely and efficiently.

Apprentice Electrician

ElectroTech Solutions 📅 January 2016 - February 2018 📍 Chicago, IL

Supported experienced electricians in installations and maintenance, developing foundational skills necessary for advanced electrical work.

- Aided in installation tasks that reinforced practical learning experiences while observing best practices.
