STRENGTHS

- ♥️ **Clinical teaching**
In simulation and clinical settings, connected nursing judgment with safe action, helping learners gain confidence.
- 👥 **Student advising**
Office hours and referrals gave students a clear next step when coursework or clinical progress became difficult.
- 🏗️ **Curriculum alignment**
Reworked activities and assessment blueprints around outcomes, which made review conversations more focused.
- 🔊 **Clinical coordination**
Regular contact with educators and preceptors kept student experiences aligned with site capacity and safety.
- ✅ **Quality improvement**
Course evidence and outcome summaries brought useful detail into accreditation preparation and program review.

SUMMARY

Nursing educator and Registered Nurse with eight years of combined acute care and nursing education experience, including more than five years of professional nursing practice. Holds a **Master of Science in Nursing**, current unencumbered **Texas RN license**, and current American Heart Association **BLS for Healthcare Providers** certification. Teaches prelicensure students through classroom, Blackboard, simulation, skills laboratory, online, and clinical instruction. Rebuilds learning activities, assessment blueprints, and course evidence around program outcomes, nursing competencies, accreditation standards, and safe practice. Supervises clinical rotations, coordinates agency relationships, evaluates student performance, and provides timely feedback, advising, office hours, and referrals. Brings current medical surgical knowledge, **interactive teaching methods**, Microsoft Office capability, and quality improvement experience to student progression and program success.

EXPERIENCE

Assistant Professor of Nursing

Lone Star Nursing Institute 📅 August 2023 - Present 📍 San Marcos, TX

Leads classroom, Blackboard, simulation, skills laboratory, and clinical instruction for prelicensure nursing cohorts. Supports curriculum review, accreditation evidence, clinical coordination, student advising, retention, and progression through organized teaching and mentorship.

- Rebuilt **assessment blueprints** around program outcomes and **nursing competencies** for curriculum review.
- Created **simulation debriefing** workflows that strengthened feedback on **medication safety** and escalation.
- Supervised clinical rotations and coordinated agency onboarding with educators and preceptors.
- Compiled course evidence and outcome summaries for accreditation and quality improvement.
- Advised students through **office hours**, referrals, and progression planning.
- Directed Blackboard instruction and **skills laboratory** learning for prelicensure cohorts.

Registered Nurse, Medical Surgical and Clinical Preceptor

Hill Country Medical Center 📅 July 2020 - July 2023 📍 New Braunfels, TX

Delivered adult medical surgical care while **precepting** nurses and nursing students. Connected clinical judgment, interactive teaching, quality review, and academic coordination with safe patient care and effective learning experiences.

- Managed varied acuity using assessment, clinical judgment, and **interdisciplinary communication**.
- Precepted nurses and students in medications, documentation, prioritization, and **patient education**.
- Developed case based competency refreshers using current clinical policies.
- Contributed to **quality reviews** involving falls, medication safety, and **infection prevention**.
- Coordinated student experiences with instructors around unit capacity and safety.
- Maintained BLS, immunization, **TB screening**, and clinical compliance documentation.

Registered Nurse, Adult Acute Care

Cypress Bend Hospital 📅 June 2018 - June 2020 📍 Georgetown, TX

Provided adult acute care across changing clinical needs, with responsibility for assessment, treatment, education, documentation, prevention practices, and supervised student coaching. Supported safe transitions through coordinated interdisciplinary care.

- Delivered adult **acute care** and escalated condition changes through **clinical pathways**.
- Organized medications, treatments, education, and discharge preparation with accurate documentation.
- Applied **infection prevention**, patient identification, fall prevention, and **medication safety** practices.
- Coordinated changing needs with physicians, pharmacists, therapists, and case managers.

MY CAREER

● Assistant Professor of Nursing at Lone Star Nursing Institute (3.2 Years)

● Registered Nurse, Medical Surgical and Clinical Preceptor at Hill Country Medical Center (3 Years)

● Registered Nurse, Adult Acute Care at Cypress Bend Hospital (2 Years)

● Registered Nurse, Graduate Nurse Residency at Brazos Valley Regional Hospital (11 Months)

- Coached nursing students on clinical reasoning, scope, safety, and communication.
- Maintained continuing education and competency validation in adult acute care.

Registered Nurse, Graduate Nurse Residency

Brazos Valley Regional Hospital 📅 June 2017 - May 2018 📍 Bryan, TX

Completed a structured RN residency while building **safe practice** in assessment, planning, medications, documentation, simulation, patient education, and interdisciplinary communication. Used preceptor feedback to strengthen clinical judgment and transition planning.

- Completed RN residency milestones in assessment, planning, medications, and documentation.
- Used preceptor feedback to strengthen prioritization, handoffs, and recognition of changes.
- Practiced procedures in **simulation** before bedside application for safer clinical care.
- Prepared patient and family education using plain language and teach back methods.
- Participated in interdisciplinary rounds connecting observations with treatment and transition plans.
- Maintained credentials, **immunizations**, annual screening, and BLS through competency milestones.

PROJECTS

Simulation Debriefing Workflow 📅 2024

Structured simulation debriefing and skills validation around assessment, medication safety, communication, and escalation. Improved consistency of feedback across prelicensure learning activities.

Curriculum Evidence Review 📅 2023

Organized course evidence, outcome summaries, and faculty documentation for curriculum review, accreditation preparation, and continuous quality improvement.

LEADERSHIP & AWARDS

- Faculty contribution recognized for organized accreditation evidence and course outcome documentation.
- Clinical preceptor recognition earned through consistent support for nurses and nursing students.
- Graduate nursing education achievement completed with a Master of Science in Nursing in 2022.

EDUCATION

Master of Science in Nursing, Nursing Education

Texas State University 🎓 GPA: 4.0 📅 2022 📍 San Marcos, TX

Coursework: Nursing education, curriculum development, clinical teaching, student assessment

Bachelor of Science in Nursing

Sam Houston State University 🎓 GPA: 4.0 📅 2017 📍 Huntsville, TX

Coursework: Adult health nursing, pharmacology, patient assessment, clinical practice

CERTIFICATIONS

- Registered Nurse, Texas, Current and Unencumbered 📅 2026
- American Heart Association BLS for Healthcare Providers 📅 2026

TECHNICAL SKILLS

- **Learning Platforms:** Blackboard, learning management systems, online instruction
- **Microsoft Applications:** Microsoft Office, Word, Excel
- **Simulation Systems:** Simulation resources, skills laboratory, debriefing
- **Assessment Methods:** Assessment blueprints, competency validation, clinical evaluation
- **Curriculum Development:** Course design, learning activities, curriculum review
- **Clinical Practice:** Adult acute care, medical surgical nursing, safe practice
- **Quality Programs:** Program evaluation, continuous quality improvement, outcome review

- **Accreditation Support:** Accreditation evidence, faculty documentation, regulatory requirements
- **Student Services:** Advising, mentoring, office hours, support referrals
- **Clinical Coordination:** Clinical rotations, agency onboarding, preceptor coordination
- **Instructional Methods:** Interactive teaching, case based learning, teach back
- **Health Compliance:** BLS, immunizations, TB screening, background checks

PROFESSIONAL AFFILIATIONS

- Registered Nurses Association participation supports current clinical practice and professional connection.
- Nursing education community participation strengthens instructional exchange and faculty development.
