STRENGTHS

- 🏠 **Field ownership**
Managed daily claim inventories across a wide territory, keeping inspections and customer commitments visible. Teams relied on consistent follow through.
- 🚗 **Repair judgment**
Separated supported repairs from unrelated work during supplement reviews. That habit kept payment decisions fair and files easier to defend.
- 💬 **Shop negotiation**
Used repair methods, labor, parts, and photographs in shop discussions. Tough conversations became clearer and more productive.
- ♥️ **Customer clarity**
Explained repair steps, timelines, total losses, and payment decisions in plain language. Customers knew what would happen next.
- 👥 **Practical leadership**
Coached newer appraisers through difficult estimates and documentation questions. Peers gained a steady resource for real field problems.

MY CAREER

● Senior Auto Damage Appraiser at Canyon Crest Mutual Insurance (2.2 Years)

● Auto Damage Claims Adjuster at Pacific Horizon Casualty (2.2 Years)

● Collision Estimator at Westline Collision Center (4 Months)

Collision Estimator

Westline Collision Center 📅 October 2021 - February 2022 📍 Anaheim, CA

Supported collision repair operations by preparing insurer and customer estimates, documenting teardown findings, coordinating repair scope, and keeping owners informed through production. Developed hands on knowledge of shop workflow, repair materials, safety practices, parts, labor, and refinishing.

- Prepared collision estimates by documenting parts, labor, **refinishing**, and required repair operations.
- Connected vehicle owners, **technicians**, parts staff, and appraisers to clarify scope and reduce delays.
- Produced supplement documentation pairing additional operations with photographs and technician findings for insurer review.
- Monitored repair plans from estimate approval through production, updating customers on expected milestones.
- Compared insurer estimates with shop findings, identifying omissions and resolving line item questions professionally.
- Followed body shop safety practices while inspecting vehicles around repair materials, equipment, and production areas.

PROJECTS

Regional Claim Inventory Review 📅 2025

Clear claim ownership creates better customer moments. Reviewed field inventory patterns and estimate documentation across Southern California, helping connect inspection quality with timely repair decisions and practical service expectations.

Collision Supplement Documentation 📅 2023

Good decisions begin with good evidence. Built a supplement review approach that connected photographs, teardown findings, loss facts, and repair operations for clearer insurer discussions.
