STRENGTHS

Event execution

Kept vendors, venues, speakers, and internal owners aligned during a demanding regional program. Teams knew where details stood.

Campaign coordination

Built practical plans around audiences, accounts, timelines, and follow up. Sales partners gained a clearer operating rhythm.

Measurement discipline

Reviewed registration, attendance, engagement, and lead movement after programs. Those conversations shaped smarter event choices.

Partner communication

Worked through timing issues with suppliers and production teams before event days. Calm updates kept delivery on track.

Operational ownership

Managed branded inventory, shipping, registration, and campaign records together. Small details stayed visible when priorities shifted.

SUMMARY

Field marketing specialist with six years of experience delivering regional **B2B technology** programs that connect **localized campaigns**, physical and virtual events, **demand generation**, **account based marketing**, and revenue priorities. Leads planning across sales, marketing, vendors, venues, registration, content, logistics, lead routing, and follow up. Uses Salesforce and Splash for campaign operations, attendee workflows, lead management, and performance reporting. Coordinates trade shows, hosted programs, webinars, partner activities, branded inventory, shipping, and post event reviews across fast moving technology environments. Builds clear project plans that help stakeholders act with confidence and keeps regional programs moving through changing priorities. Brings practical communication, organized execution, and thoughtful measurement to every campaign, helping teams convert field activity into useful engagement and stronger pipeline decisions.

EXPERIENCE

Field Marketing Specialist

Signal Ridge Security 📅 January 2024 - Present 📍 Raleigh, NC

Leads regional field programs for B2B cybersecurity audiences, connecting hosted events, trade shows, localized campaigns, account focused activities, vendors, and follow up with revenue priorities. Owns operational details from planning through execution and review while keeping sales and marketing partners aligned.

- Coordinated **cybersecurity** trade shows and **hosted events** with sales partners, vendors, and regional account teams
- Built **Salesforce** campaign plans for target accounts, lead routing, follow up, and post event reporting
- Configured **Splash** registration pages and communications for physical and virtual programs with accurate attendee data
- Managed venues, production partners, shipping providers, and delivery timelines for regional field activations
- Reviewed attendance, engagement, lead progression, and sales feedback to refine future campaign planning
- Aligned **localized campaigns** with **demand generation** priorities, account strategy, and stakeholder execution details

Regional Marketing Coordinator

BlueOak Cloud Systems 📅 May 2022 - December 2023 📍 Durham, NC

Coordinated multi state **B2B technology** campaigns across field activity, demand generation calendars, priority account plans, event **logistics**, partner programs, and reporting. Connected sales, marketing operations, suppliers, and event owners through clear schedules and dependable follow up workflows.

- Coordinated multi state campaigns around **demand generation** calendars and priority account plans
- Planned trade shows, executive gatherings, partner events, and webinars with detailed delivery schedules
- Built **account based marketing** lists and invitation strategies with sales teams for regional programs
- Organized nurture and follow up workflows for engaged prospects after events and campaign activities
- Maintained Salesforce responses, lead status, and attribution records for reliable campaign reporting
- Managed branded merchandise **inventory**, replenishment, shipment requests, and delivery timing with suppliers

5.8
YEARS

● Field Marketing Specialist at
Signal Ridge Security (2.8 Years)

● Regional Marketing
Coordinator at BlueOak Cloud
Systems (1.6 Years)

● Marketing Programs
Associate at Pioneer B2B Media
(1.5 Years)

Marketing Programs Associate

Pioneer B2B Media 📅 October 2020 - April 2022 📍 Charlotte, NC

Supported integrated marketing programs for technology clients through webinars, hosted events, partner campaigns, digital demand generation, registration operations, vendor coordination, lead preparation, and campaign reporting. Built dependable program foundations while collaborating with internal specialists, clients, creative resources, and external partners.

- Supported webinars, **hosted events**, partner campaigns, and digital **demand generation** for technology clients
- Coordinated campaign schedules among marketing specialists, clients, creative resources, and event partners
- Built registration pages, attendee communications, and event materials with consistent campaign messaging
- Prepared lead files and campaign records for nurture workflows and marketing operations handoff
- Tracked vendor deliverables, shipment status, and event materials before scheduled regional activities
- Compiled campaign results and audience feedback into concise summaries for follow up decisions

PROJECTS

Regional Cybersecurity Demand Program 📅 2025

Connected localized account outreach, hosted events, Splash registration, Salesforce lead routing, and post event measurement for cybersecurity audiences. Program teams gained a clearer path from invitation through follow up.

Virtual Partner Event Series 📅 2023

Coordinated speakers, partner communications, registration workflows, attendee materials, and nurture follow up across virtual technology events. Shared reporting helped stakeholders compare engagement and future program value.

LEADERSHIP & AWARDS

- Recognized by regional sales partners for dependable event coordination and timely lead follow up.
- Selected for expanded field program ownership after consistent delivery across vendors, logistics, and campaign reporting.
- Praised by marketing operations peers for accurate Salesforce records and clear program recaps.
