

Hassan Alvarado

Financial Controller

JULY 27, 2026

Hiring Manager
Bachner Solutions Inc.
Greenville, SC

Dear Hiring Manager,

I am eager to express my interest in the Financial Controller role at Bachner Solutions Inc. This opportunity perfectly matches my extensive experience and developing passion for financial management within the construction arena. Navigating intricate challenges, I forge strong financial pathways that propel success.

In my previous position at Summit Financial Group, I spearheaded financial operations amid various hurdles, overseeing a budget of 15 million dollars while ensuring strict compliance with US GAAP. My adeptness at project financial controlling catalyzed impressive reductions in operational costs, ultimately leading to unparalleled efficiency.

Additionally, my tenure at Eagle Construction Services fostered my aptitude for strategic input, resulting in enhanced compliance with regulations and showcasing the importance of risk management. Each achievement, from meticulous budgeting to enhanced team dynamics, reflects my commitment to generating sustainable growth.

I thrive in collaboration, proudly mentoring accountants and nurturing an environment ripe for productivity. Solid analytical capabilities, paired with an ability to articulate financial insights, enable me to bridge the gap between technical and non-technical stakeholders seamlessly.

Sincerely,

Hassan Alvarado,

Hassan Alvarado
