STRENGTHS

- 🚒 **Emergency judgment**
During complex scenes, focused first on hazards, patient needs, and crew safety. That order kept decisions clear.
- 👥 **Fireground teamwork**
Crew members could rely on steady hose, ladder, search, and radio work. Shared practice made difficult calls smoother.
- 💓 **Patient care**
Approached each patient with calm explanations and focused assessment. Families received clear updates during stressful transfers.
- 🔧 **Equipment readiness**
Daily inspections caught small issues before calls. Apparatus, SCBA, medical supplies, and tools stayed ready for use.
- 📋 **Operational discipline**
Reports, training records, and pre fire planning received consistent attention. Supervisors gained confidence in follow through.

LANGUAGES

English Native

SUMMARY

Firefighter Paramedic with 13 years of municipal fire and **EMS** service across engine, **rescue**, suppression, and emergency medical assignments. Holds State of Florida Firefighter I and Firefighter II Certificates of Compliance, Florida Paramedic Certification, current BLS and ACLS credentials, a valid **Florida driver's license**, and current CPAT status. Provides ALS and BLS care, structural fire attack, search and rescue, ventilation, vehicle extrication, apparatus operation, emergency radio communication, and **pre fire planning**. Maintains readiness through inspections, SCBA and PPE checks, station upkeep, documentation, continuing training, and physical conditioning. Calm judgment supports safe crew operations and compassionate patient care during heat, smoke, traffic, confined spaces, hazardous materials, and medically complex incidents. Brings dependable public service, accurate reporting, and practical teamwork to emergency response operations.

EXPERIENCE

Firefighter/Paramedic

Gulf Haven Fire District 📅 July 2022 - Present 📍 Clearwater, FL

Serve on an ALS company supporting structural fires, **medical emergencies**, collisions, rescues, public safety details, and scenario based training. Provide paramedic care while operating fire and rescue apparatus, maintaining equipment readiness, and contributing to incident planning within command structures.

- Delivered **ALS** care after scene size up, prioritizing treatment and safe patient transfer.
- Operated engines, rescue apparatus, radios, SCBA, hose packages, ladders, and **medical equipment**.
- Executed search, ventilation, fire attack, overhaul, and **vehicle extrication** within **incident command**.
- Completed apparatus inspections and maintained medical and suppression inventories for daily readiness.
- Supported **pre fire planning**, public safety details, and scenario based EMS training.

Firefighter EMT

Sun Coast Emergency Services 📅 June 2019 - June 2022 📍 Bradenton, FL

Supported fire, rescue, and EMS operations across alarms, medical calls, hazardous conditions, lift assists, and traffic incidents. Combined BLS patient care with hose advancement, ladder work, SCBA maintenance, incident reporting, and recurring live fire training.

- Performed **BLS** assessment, bleeding control, splinting, oxygen delivery, and vital sign monitoring.
- Advanced hose lines, raised **ladders**, and supported **search** and rescue during fireground operations.
- Maintained **SCBA**, **turnout gear**, rescue tools, hose, nozzles, and medical supplies through inspections.
- Prepared incident reports and radio communications using department computer systems.
- Completed live fire, rescue, EMS, and **physical fitness** training for operational readiness.

Firefighter EMT

Palmetto County Fire Services 📅 August 2016 - May 2019 📍 Sarasota, FL

Provided engine company **fire suppression** and EMT response while supporting primary searches, ventilation, ladder placement, patient care, vehicle rescue, **station maintenance**, and pre fire planning. Worked within structured drills and community outreach assignments.

- Conducted primary searches, deployed **hose**, supported **ventilation**, and performed overhaul operations.
- Assessed patients, obtained vital signs, controlled bleeding, and prepared transport reports.

MY CAREER

- Firefighter/Paramedic at Gulf Haven Fire District (4.2 Years)
- Firefighter EMT at Sun Coast Emergency Services (3 Years)
- Firefighter EMT at Palmetto County Fire Services (2.8 Years)
- Firefighter EMT at Lakeview Fire Protection District (3.1 Years)

- Supported vehicle rescue with stabilization equipment and hydraulic tools at collision scenes.
- Performed **apparatus** maintenance, equipment checks, and inventory control for station readiness.
- Participated in **pre fire planning**, community outreach, and structured emergency drills.

Firefighter EMT

Lakeview Fire Protection District 📅 June 2013 - July 2016 📍 Winter Haven, FL

Responded to **medical emergencies**, fires, alarms, and public assistance calls under department SOPs. Built early career capability through fire attack, BLS care, apparatus upkeep, radio communications, hazardous materials awareness, rescue practice, and physical conditioning.

- Supported fire attack using hose streams, SCBA, ladders, forcible entry tools, and **PPE**.
- Provided BLS care, focused assessments, immobilization, bandaging, and transfer **reports**.
- Inspected and cleaned apparatus, tools, breathing equipment, and station facilities.
- Used radio and computer systems for dispatch, incident documentation, and training records.
- Built response capability through **rescue**, EMS, **hazardous materials**, and conditioning drills.

PROJECTS

Regional Rescue Readiness Program 📅 2024

Coordinated crew practice around rescue tools, patient movement, radio communication, and apparatus readiness. Shared field lessons during drills so newer members could work with greater confidence and consistency.

Community Emergency Preparedness Initiative 📅 2021

Supported public safety outreach focused on fire prevention, emergency communication, and basic medical response. Worked with department personnel to present practical guidance for residents and local groups.

LEADERSHIP & AWARDS

- Selected for dependable ALS response and calm patient care during high acuity municipal incidents.
- Recognized by peers for consistent apparatus readiness, crew safety, and practical field support.
- Provided informal guidance during drills, helping newer members build confidence with equipment and procedures.

EDUCATION

High School Diploma

Clearwater High School 🎓 GPA: 4.0 📅 2013 📍 Clearwater, FL

Coursework: *Emergency services foundations, physical education, health science, English communication*
