SUMMARY

Dedicated and board-certified Gastroenterologist with extensive experience in managing a broad spectrum of gastrointestinal disorders. Proven ability to deliver high-quality patient care while utilizing advanced technologies such as EHR systems and AI documentation tools to enhance clinical efficiency. Skilled in collaborating with multidisciplinary teams to improve patient outcomes and engage in community health initiatives. Committed to lifelong learning and remaining current with industry advancements to provide cutting-edge treatment options. Passionate about fostering patient relationships and ensuring a supportive healthcare environment, with a strong focus on quality improvement and patient education. Eager to contribute expertise and leadership within a progressive medical group.

EXPERIENCE

Gastroenterologist

Westside Gastroenterology 📅 July 2022 - Present 📍 Los Angeles, CA

Excelling as a Gastroenterologist, responsible for patient care management within a diverse patient population, enhancing team collaboration to improve gastrointestinal health outcomes.

- Provide exceptional care for various gastrointestinal disorders, leveraging advanced EHR systems for accurate patient record maintenance.
- Engage actively in quality improvement programs, promoting continuous professional development among the medical team.
- Conduct outreach initiatives aimed at community education on gastrointestinal health and preventive measures.
- Lead training sessions for medical staff, effectively sharing knowledge on emerging gastroenterological treatments and practices.

Resident Physician

Southern California Medical Center 📅 June 2019 - June 2022 📍 Los Angeles, CA

Managed comprehensive patient assessments through effective communication and teamwork strategies during residency.

- Established thorough patient evaluations and treatment plans across multiple specialties, focusing on gastroenterology.
- Worked collaboratively with attending physicians to refine best practice guidelines for patient-centered care.
- Participated in multidisciplinary rounds to enhance integrated care pathways for patients with complex conditions.
- Contributed significantly to research projects aiming at improving treatment protocols for chronic gastrointestinal diseases.

Medical Intern

General Hospital 📅 January 2018 - May 2019 📍 Los Angeles, CA

Focused on delivering individualized patient care, supporting senior doctors in various clinical settings, particularly in digestive health.

- Assisted in diagnosing gastrointestinal conditions, documenting patient experiences accurately to support treatment objectives.
- Facilitated seamless operations in conducting routine diagnostics, crafting an efficient workflow in busy outpatient departments.
- Developed patient education materials regarding dietary interventions and lifestyle changes beneficial for gastrointestinal health.
- Established solid rapport with patients, emphasizing empathy and attention in patient interactions and communications.
