

Brayden Horn

General Production Worker

AUGUST 09, 2026

Hiring Manager
Acme Manufacturing Co.
Allentown, PA

Dear Hiring Manager,

I am excited to apply for the General Production Worker role at Acme Manufacturing Co. This opportunity aligns beautifully with my current experience and ongoing aspirations in the manufacturing sector.

Working at Innovative Manufacturing Solutions has truly been an enlightening experience. My responsibilities there have shaped my skills in operating machinery and implementing quality control measures. Complicated tasks become manageable with practiced hands, revealing the intricate art of machine operation while adhering to safety protocols.

I take pride in my ability to interpret blueprints while minimizing production errors by a noteworthy 15%. My role necessitated constant diligence and teamwork, fostering an environment where collaboration led to safety improvements and enhanced productivity.

At Steelcraft Industries, I played a key part in a project that resulted in a 90% first-pass yield. Engaging with my peers fostered an invaluable camaraderie. We worked together to ensure smooth operations while motivating one another to exceed set production standards.

As I consider new prospects at Acme, I look forward to contributing my insights and experience, enriching your team with my commitment to excellence and safety.

Thank you for your time.

Sincerely,

Brayden Horn
