SUMMARY

Groundskeeper with four years of experience caring for residential communities, landscaped grounds, walkways, **parking areas**, and shared outdoor amenities. Performs mowing, trimming, edging, pruning, weeding, watering, litter removal, seasonal cleanup, and basic horticultural care with steady attention to safe equipment operation and property presentation. Inspects exterior areas for hazards, damage, drainage concerns, irrigation issues, and maintenance needs, then reports findings before they affect residents or property conditions. Maintains **flower beds**, shrubs, trees, courtyards, patios, dog parks, playgrounds, and recreation spaces. Supports maintenance teams with **storm cleanup**, leaf collection, cold weather surface treatment, beautification projects, and special exterior work. Works independently in changing weather, prioritizes daily tasks, follows **safety procedures**, and communicates courteously with residents, guests, vendors, and coworkers.

EXPERIENCE

Groundskeeper

Oakridge Community Management 📅 January 2025 - Present 📍 Duluth, GA

Maintains exterior grounds for a multibuilding residential community, supporting daily landscape care, outdoor amenity readiness, safety inspections, seasonal response, and **property beautification** while coordinating with maintenance leadership and residents.

- Organized daily **mowing**, edging, **trimming**, watering, litter collection, and common area checks around resident activity.
- Reported trip hazards, damaged fixtures, drainage concerns, and property damage after inspecting exterior areas each shift.
- Adjusted **pruning** and **watering** tasks for seasonal plant needs across shrubs, trees, flower beds, and turf.
- Completed preuse checks while operating mowers, trimmers, edgers, blowers, and pruning tools safely.
- Prepared patios, courtyards, playgrounds, **dog parks**, and recreation spaces for resident use and community activities.
- Supported storm cleanup, leaf collection, cold weather treatment, and beautification projects with courteous communication.

Landscape Maintenance Technician

Peachtree Property Care 📅 October 2023 - December 2024 📍 Norcross, GA

Serviced apartment and townhome properties through routine landscape maintenance, route planning, equipment care, seasonal cleanup, condition reporting, and coordination with **property maintenance** personnel.

- Completed mowing, **edging**, trimming, **weeding**, watering, pruning, and debris removal across landscaped residential areas.
- Prioritized entrances, **walkways**, high traffic spaces, and visible common areas across weekly property routes.
- Escalated turf stress, shrub overgrowth, irrigation problems, and storm damage requiring specialized maintenance.
- Cleaned, checked, stored, and maintained hand tools and powered **landscaping equipment** for dependable field use.
- Restored sidewalks, parking areas, and shared spaces through seasonal leaf collection and storm **debris** cleanup.
- Coordinated with maintenance personnel after finding damaged edging, fixtures, drainage issues, and other concerns.
