STRENGTHS

- ✔ **Payment accuracy**
Reconciled payment, assessment, collection, and ledger activity, then became a trusted reviewer for unresolved fiscal differences.
- ♥ **Policy translation**
Turned complex payment rules into workable procedures. Providers and program teams received clearer next steps.
- 📊 **Excel analysis**
Built validation schedules, pivot summaries, charts, and tables that made monthly financial review easier for colleagues.
- 👥 **Stakeholder support**
Resolved provider and vendor questions with documented findings. Clear explanations kept urgent issues moving.
- 🔍 **Audit judgment**
Tested records against requirements, traced evidence, and wrote recommendations that gave leaders practical correction paths.

SUMMARY

Fiscal policy and accounting professional with eight years supporting **public health financing**, **provider payment operations**, financial reporting, auditing, and **policy implementation**. Experience includes more than two years of administrative leadership coordinating payment cycle controls, reconciliations, deliverables, reporting schedules, and issue resolution across finance, program, vendor, and provider groups. Applies **general accounting principles**, auditing practices, GAAP related reporting, and sound fiscal judgment when reviewing transactions, cost reports, payment data, cash activity, collections, and account balances. Advanced Microsoft Excel user who builds validation schedules, analytical workbooks, charts, tables, and management reports. Translates statutory, regulatory, and operational changes into practical procedures, clear recommendations, and dependable stakeholder support for compliant health care program administration.

EXPERIENCE

Senior Fiscal Policy Analyst

Ocean State Health Finance Collaborative 📅 January 2024 - Present 📍 Providence, RI

Lead fiscal analysis and operational coordination for a publicly funded health care payment program serving hospitals and community providers. Provide administrative leadership across monthly payment controls, reconciliations, reporting schedules, policy implementation, and stakeholder issue resolution.

- Aligned monthly payment activities with approved policy and **accounting** controls for public health programs.
- Built reconciliation schedules for payments, assessments, **collections**, and fiscal year ledger balances.
- Prepared GAAP related schedules, cash records, **charts**, tables, and **account status reports**.
- Analyzed provider payment files and cost reports before proposed **policy implementation** decisions.
- Coordinated vendors, program teams, and provider finance contacts through documented issue resolution.
- Tracked **deliverables** and review checkpoints across payment cycle operations and reporting requirements.

Fiscal Operations Analyst

Northeast Community Health Funding 📅 July 2021 - December 2023 📍 Hartford, CT

Managed recurring fiscal operations for grant funded and provider payment programs. Connected payment processing, accounting records, provider data, project deliverables, and program reporting while translating financial findings into practical recommendations for managers and **stakeholders**.

- Connected **payment processing** schedules with **accounting records** and recurring program reporting.
- Investigated provider payment, receivable, collection, and account balance variances.
- Built Excel workbooks with validation checks, pivot summaries, charts, and **tables**.
- Reviewed provider **financial reports** and cost documentation for funding decisions.
- Prepared fiscal narratives and account status materials with clear recommended next actions.
- Tracked process change deliverables across finance, operations, **vendors**, and provider contacts.

Staff Auditor

Keystone Public Health Services 📅 June 2019 - June 2021 📍 Philadelphia, PA

Executed financial and operational audit work for publicly funded health programs. Evaluated transaction support, payment records, cost documentation, control evidence, and accounting data while preparing clear findings and recommendations for finance and program leaders.

- Tested payment records and control evidence against documented public program requirements.
- Analyzed **accounting** data and drafted **recommendations** for corrective action.

LANGUAGES

MY CAREER

- Senior Fiscal Policy Analyst at Ocean State Health Finance Collaborative (2.8 Years)
- Fiscal Operations Analyst at Northeast Community Health Funding Network (2.4 Years)
- Staff Auditor at Keystone Public Health Services (2 Years)
- Junior Accountant at Allegheny Health Grants Office (11 Months)

- Reconciled ledger activity with supporting schedules and source documentation.
- Prepared audit workpapers, report sections, charts, tables, and exception summaries.
- Reviewed health care organization payment and cost documentation for audit support.
- Communicated document requests and findings with organized response tracking.

Junior Accountant

Allegheny Health Grants Office 📅 June 2018 - May 2019 📍 Pittsburgh, PA

- Maintained accounting schedules for health and human services funding activity. Supported monthly review, reconciliations, cash reporting, audit readiness, and fiscal information requests while building a strong foundation in accounting terminology and financial controls.
- Recorded health funding transactions and organized support for monthly financial review.
 - Reconciled ledger entries, payment records, cash activity, and supporting documentation.
 - Used Excel to validate and summarize records for recurring **accounting** tables.
 - Prepared draft account status and cash reports under senior review.
 - Assembled transaction support and traced entries through recorded balances.
 - Answered program staff requests with documented fiscal source references.

PROJECTS

Provider Payment Reconciliation Initiative 📅 2025

Created a structured reconciliation approach for payment, assessment, collection, and account balance activity. Excel validation schedules gave finance and program teams clearer review points before monthly close.

Policy Change Fiscal Impact Review 📅 2024

Assessed provider data, cost reports, payment methods, and accounting records before policy implementation. Findings clarified fiscal, operational, reporting, and stakeholder effects for decision makers.

LEADERSHIP & AWARDS

- Certified Government Financial Manager recognition, 2023
- Administrative leadership for payment cycle controls, reconciliation reviews, and reporting deliverables
- Recognition for clear audit findings and practical fiscal recommendations
