STRENGTHS

- ✔ **Editorial judgment**
During fast moving coverage, verified source details before air and kept audience context clear when facts shifted.
- 🎥 **Live production**
TriCaster switching, graphics cues, and remote guests came together smoothly during unscripted streams and major events.
- 👥 **Source relationships**
Regular calls with agencies, reporters, and community contacts opened access to interviews and dependable live video.
- 🎤 **Calm presentation**
On camera updates stayed concise and accurate during severe weather, public safety events, and extended live coverage.
- 👥 **Team coaching**
Three producers received practical guidance on handoffs, verification, and contingencies, and peers sought help during overnight shifts.

SUMMARY

Live news host and producer with eight years of journalism experience across **breaking news**, major event coverage, on camera reporting, digital production, **live streaming**, and editorial planning. Builds accurate coverage from wires, live feeds, social media, source calls, and newsroom systems, then presents clear updates in unscripted conditions. Experienced with TriCaster switching, graphics, remote guests, stream execution, interview preparation, guest booking, and digital analytics across streaming, social, broadcast, and web platforms. Leads overnight coverage plans, coordinates station partners and field teams, mentors producers, and protects **journalistic standards** when priorities shift quickly. Maintains trusted **source relationships** and an active reel featuring breaking news, interviews, and continuous live events. Brings calm editorial judgment and practical production leadership that support timely, credible coverage for digital audiences.

EXPERIENCE

Senior Host and Producer

Gulflink Digital News 📅 January 2024 - Present 📍 Tampa, FL

Leads overnight live news coverage across streaming, social, digital, and broadcast platforms. Owns editorial planning, control room execution, source coordination, guest booking, analytics review, and producer coaching for breaking developments and **major events**.

- Led live breaking news streams with **TriCaster**, preserving clear viewer context during sudden story changes.
- Built overnight **coverage plans** from wires, feeds, **social** monitoring, and source calls for flexible execution.
- Booked guests and prepared verification points, giving hosts reliable context before interviews went live.
- Reviewed **digital analytics** and adjusted story sequencing, improving stream continuity without compromising **editorial** standards.
- Coached three producers on source checks, handoffs, workflow discipline, and contingency planning for overnight coverage.

Host and Producer

Suncoast News Network 📅 March 2021 - December 2023 📍 Sarasota, FL

Produced and hosted multiplatform coverage of severe weather, public safety, elections, courts, and community news. Managed TriCaster workflows, editorial calendars, live interviews, source relationships, and rapid changes during developing events.

- Produced severe weather coverage with reporter updates, agency video, and concise **on camera presentation**.
- Monitored **wires**, social platforms, agency feeds, and reporter channels to **verify** emerging story developments.
- Managed TriCaster **switching**, graphics, playback, remote interviews, and stream transitions during developing stories.
- Revised **editorial calendars** when breaking news displaced scheduled content, keeping follow up coverage organized.
- Strengthened agency and station partner relationships, expanding dependable access to interviews and **live video**.

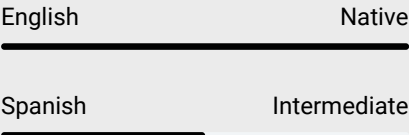

Digital News Producer and Reporter

Coastal 8 News 📅 June 2019 - February 2021 📍 Fort Myers, FL

Produced **digital** first **breaking news** and reported on camera for web, social, streaming, and broadcast distribution. Coordinated live shots, interviews, graphics, audience reporting, social publishing, and verification during high volume news cycles.

- Produced digital first breaking news updates for web, social, **streaming**, and **broadcast** audiences.
- Researched developing stories through public records, wires, interviews, and **newsroom** systems before publication.

LANGUAGES

MY CAREER

- Senior Host and Producer at Gulfline Digital News (2.7 Years)
- Host and Producer at Suncoast News Network (2.8 Years)
- Digital News Producer and Reporter at Coastal 8 News (1.7 Years)
- Associate Producer and Multimedia Journalist at Bay City Public Media (7 Months)

- Coordinated live shots, remote interviews, **graphics** requests, and video feeds during high volume coverage.
- Created stream rundowns and social plans that kept major stories current and factually consistent.
- Used audience dashboards to refine headlines, update timing, and stream promotion with editors.

Associate Producer and Multimedia Journalist

Bay City Public Media 📅 October 2018 - May 2019 📍 St. Petersburg, FL

- Supported daily and breaking news production through research, assignment monitoring, video gathering, digital updates, interview preparation, graphics notes, and supervised on camera reporting. Built early control room experience while coordinating assets and source checks.
- Supported **breaking news** production through assignment monitoring, research, video gathering, and digital updates.
 - Presented concise on camera updates under editor supervision, maintaining accurate attribution during changing stories.
 - Prepared guest **research** and background materials, helping producers move quickly from **planning** into interviews.
 - Built graphics notes, cue sheets, and stream rundowns while coordinating assets with production staff.
 - Monitored **social media** and wires, flagging credible leads after documenting source checks for escalation.

PROJECTS

Overnight Breaking News Stream 📅 2026

Built a repeatable overnight coverage approach for breaking stories, combining live feeds, source verification, guest interviews, TriCaster production, and audience signals. Work connected editorial planning with calm on camera delivery during unpredictable developments.

Major Event Coverage Calendar 📅 2024

Created forward looking coverage plans for major events, expected interviews, station resources, and follow up reporting. Calendar decisions helped teams pivot quickly when live developments changed scheduled programming.

PORTFOLIO

Title: On Camera News Reel
