EXPERIENCE

Human Resources Office Support Project

August 2026 - Present

University Project

Iowa City, IA

Supervised academic office project covering front desk service, applicant inquiries, employee records, Form I 9 scenarios, filing, data entry, and routine human resources workflows. Presented work for review and applied feedback on accuracy, confidentiality, and service.

- Simulated front desk inquiries and routed **applicants** toward appropriate **human resources** resources.
- Practiced **Form I 9** scenarios and flagged exceptions for instructor review.
- Built sample employee **filing** structures with controlled access and confidentiality practices.
- Used **Microsoft Word** and Excel for logs, worksheets, correspondence, and status tracking.
- Checked **data entry** against source documents, reducing errors in sample employee records.
- Presented office workflow findings and applied feedback on accuracy and welcoming service.

Part Time Student Office Assistant

January 2026 - Present

Campus Service Office

Iowa City, IA

Part time campus office role supporting a busy service desk, mail workflows, shared records, document preparation, filing, scanning, and visitor assistance. Balances recurring clerical work with class commitments and escalates matters outside assigned authority.

- Greeted **students** and **visitors**, then routed routine questions to appropriate staff.
- Sorted incoming campus mail and prepared outgoing packets for accurate distribution.
- Entered appointments and service requests into shared records with careful detail checks.
- Prepared Word documents, Excel lists, copies, and printed materials for office use.
- Filed and scanned records around class commitments, keeping work queues organized.
- Escalated questions beyond assigned authority to permanent office personnel with clear context.

PROJECTS
