SUMMARY

Human resources support professional with four years of progressively responsible office and personnel experience, including application review, qualification determinations, eligibility processing, personnel records, staffing transactions, and selection monitoring. Compares education and employment histories with **classification specifications, qualification standards**, and documented human resources requirements. Applies rules, regulations, procedures, education substitutions, experience calculations, and part time proration when reviewing records. Maintains clear documentation supporting eligibility decisions and **personnel transactions**. Progressed from general clerical support into specialized human resources work, including rotating **team lead assignments** that demonstrate supervisory aptitude. Brings organized judgment, accurate recordkeeping, dependable follow up, and respectful service to operating units while supporting timely, compliant personnel processing.

EXPERIENCE

Human Resources Assistant, Applicant Qualification Review

Island Workforce Services 📅 October 2024 - Present 📍 Honolulu, HI

Supports application qualification, eligibility list preparation, personnel documentation, and selection monitoring for administrative and support classifications. Provides rotating team lead coverage, resolves procedural questions, and escalates unusual qualification issues for senior review.

- Reviewed applications against education, employment, and classification standards for consistent qualification decisions.
- Applied personnel rules, **education substitutions**, and **experience calculations** within documented staffing records.
- Prepared **eligible candidate lists** by reconciling qualification factors and vacancy status changes.
- Monitored operating unit selections, followed up on aging actions, and supported timely processing.
- Led daily review queues, answered procedural questions, and escalated unusual qualification issues.
- Audited personnel files and transaction records, correcting gaps before downstream processing.

Personnel Records Clerk, Experience Credit

Harbor Point Community Services 📅 October 2023 - September 2024 📍 Honolulu, HI

Maintained employee and applicant records while supporting qualification review, **experience credit** calculations, routine **staffing transactions**, and confidential inquiries. Created practical checklists and worksheets that gave human resources reviewers clearer evidence for consistent decisions.

- Indexed **personnel records** and validated required fields before routine human resources workflow entry.
- Compared education and employment information with position requirements, flagging incomplete qualification evidence.
- Calculated full time and prorated part time service using documented weekly schedules.
- Processed staffing updates against source records before routing transactions for final review.
- Answered status questions with documented case information while protecting confidential personnel data.
- Created file checklists that helped reviewers identify missing qualification evidence sooner.

Office Assistant, Clerical Operations

Aloha Administrative Partners 📅 October 2022 - September 2023 📍 Honolulu, HI

Provided progressively responsible clerical support across multiple service teams, managing records, correspondence, tracking logs, document packets, and confidential intake. Took lead coverage during absences, prioritized shared queues, and guided newer staff under supervisor direction.

STRENGTHS

- 🔍 **Qualification Review**
Compared education and employment histories with standards, then documented decisions so reviewers could follow each conclusion.
- ☰ **Eligibility Processing**
Reconciled qualifying factors and status changes for candidate lists. A clean list gave recruiting staff dependable next steps.
- ➡ **Rule Application**
Applied procedures, substitutions, and experience calculations to real records. Colleagues sought help when a case felt unclear.
- ✅ **Record Accuracy**
Audited files before routing and corrected gaps early. That simple pause protected downstream processing from avoidable rework.
- 👥 **Team Lead Support**
Distributed review queues and answered process questions during rotating lead coverage. Staff gained a steadier rhythm on busy days.
