STRENGTHS

- 👥 **Employee Support**
Roundtable conversations made recurring concerns visible, and follow up actions gave employees a clearer response.
- ♥️ **Workforce Analysis**
Exit interview themes became useful leadership insight after Excel workbooks organized feedback into readable patterns.
- ✓ **Data Accuracy**
Shared services partners received cleaner HRIS changes after payroll records were checked before scheduled processing.
- 📅 **Program Coordination**
Internship milestones stayed visible through calendars, manager touchpoints, learning sessions, and completion tracking.
- 💬 **Clear Communication**
Policy messages became easier for employees and managers to act on without changing required guidance.

SUMMARY

Human Resources Generalist with three years of progressive experience supporting employee lifecycle operations across transportation and distribution settings. Coordinates onboarding, HRIS updates, payroll data, **policy communication**, **employee engagement**, training compliance, accommodations, internships, and **development programs** with care and consistency. Uses Microsoft Excel, VLOOKUPs, pivot tables, exit interview findings, employee feedback, and workforce data to give site leaders practical insight for better decisions. Partners effectively with shared services, **Learning and Development**, managers, and employees while protecting confidentiality and keeping records accurate. Experience facilitating roundtables, feedback discussions, internal social communications, and program tracking has strengthened employee support and site execution. Brings a grounded, service focused approach that can help an HR team deliver clear programs, reliable data, and a more connected employee experience.

EXPERIENCE

Human Resources Generalist

Northstar Distribution Services 📅 July 2024 - Present 📍 Toledo, OH

Support site human resources operations for a busy distribution environment, partnering with leaders, shared services, and employees on lifecycle administration, workforce programs, data quality, engagement, and development.

- Coordinated **onboarding** schedules and records for hourly and salaried distribution employees across recurring hiring groups.
- Reconciled HRIS and payroll changes with **shared services** before payroll processing and **workforce reporting** cycles.
- Built Excel workbooks with **VLOOKUPs** and **pivot tables**, clarifying exit interview and feedback trends.
- Facilitated **employee roundtables**, turning recurring concerns into documented follow up actions for site leaders.
- Coordinated accommodation records and employee updates with appropriate HR stakeholders while protecting confidential information.
- Led internship calendars and development activities, aligning learning sessions, manager touchpoints, and completion tracking.

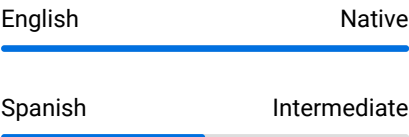

HR Coordinator

Lakeview Logistics Group 📅 October 2023 - June 2024 📍 Maumee, OH

Supported employee administration for warehouse and transportation teams, connecting onboarding, HRIS data, payroll workflows, engagement activities, policy communications, and training compliance with daily site needs.

- Prepared **HRIS** records and orientation details for warehouse and **transportation** employee onboarding groups.
- Processed employee updates across HR systems and payroll workflows, improving consistency in routine **workforce reporting**.
- Categorized structured exit interview findings in Excel, giving leaders clearer insight into employee experience themes.
- Coordinated **engagement events** and internal social communications, keeping employees informed about schedules and activities.
- Maintained **training compliance** trackers and followed up with supervisors before internal reporting deadlines.
- Translated **policy guidance** into concise messages for employees and managers without changing program requirements.
