STRENGTHS

- 🔒 **Confidential records**
Protected sensitive employee information during audits and daily requests, earning confidence from staff who needed clear answers.
- 👥 **Recruitment coordination**
Kept assessments, notices, clearances, and onboarding moving together. Colleagues relied on steady follow up when timelines tightened.
- ✅ **Data accuracy**
Checked position, payroll, benefits, and leave fields before reporting. That extra review prevented avoidable downstream corrections.
- 🗣️ **Tactful service**
Answered difficult personnel questions with patience and discretion, then routed sensitive matters appropriately when needed.
- 🎓 **Workflow training**
Turned substitute system questions into practical guidance for school sites. Users gained confidence after hands on support.

SUMMARY

Human resources technician with six years of progressively responsible experience supporting recruitment, classified and **certificated personnel** processes, employee records, **leave administration**, salary placement, **benefits eligibility**, **substitute staffing**, and position control in public sector and education settings. Maintains confidential automated and manual files, verifies payroll and assignment data, tracks salary steps and leave balances, and prepares accurate reports, correspondence, personnel lists, and board approval documents. Applies personnel rules, bargaining unit provisions, policies, procedures, and established guidelines with sound judgment. Communicates clearly with employees, applicants, supervisors, outside agencies, and the public, including during sensitive or highly interrupted office situations. Brings practical HRIS experience, careful data review, tactful customer service, and dependable follow through across recruitment, onboarding, compliance tracking, and daily administrative operations.

EXPERIENCE

Senior Human Resources Assistant

Summit Valley Education Services 📅 March 2024 - Present 📍 San Jose, California

Supports classified and **certificated personnel** operations across recruitment, **employee records**, leave processing, substitute staffing, salary placement, reporting, and confidential employee service. Coordinates multiple workflows in a busy education environment, applying bargaining unit provisions and established procedures while protecting data quality and meeting recurring deadlines.

- Coordinated classified and certificated recruitment, from vacancy posting through clearance tracking and candidate processing.
- Audited HRIS assignment, payroll, **position control**, benefits, salary step, and leave data before report distribution.
- Applied bargaining unit provisions to **salary placement** questions, giving employees clear next steps within established guidelines.
- Administered substitute and limited term staffing records, resolving system issues and training school site users.
- Tracked disability, **paid family leave**, **sick leave**, vacation, and return dates for supervisors and payroll partners.
- Prepared employment notices, personnel lists, approval documents, verification letters, and recurring compliance reports.

Human Resources Technician

Bayview Community Schools 📅 July 2022 - February 2024 📍 Fremont, California

Managed merit based classified recruitment support, onboarding records, clearance follow up, employee inquiries, and **compliance tracking** for a public school system. Maintained auditable files and accurate HRIS data while coordinating assessments, notices, and information routing across departments.

- Screened classified applications against **minimum qualifications**, improving completeness before assessment scheduling.
- Coordinated written and oral **testing logistics**, preserving scoring records and candidate status documentation.
- Validated new hire and job change fields for assignments, locations, positions, payroll, and benefits processing.
- Monitored fingerprint and employment clearance requirements, routing completed information through onboarding workflows.
- Answered employee and applicant questions about vacancies, forms, procedures, leave, and **employment verification**.
- Produced provisional and limited term staffing compliance reports, flagging discrepancies for timely senior review.
