SUMMARY

Dedicated pharmacy professional with over 5 years of experience in hospital pharmacy operations, specializing in team leadership and compliance management. Proven track record of enhancing operational efficiencies and developing skilled pharmacy teams. As a licensed Pharmacist, commitment to patient safety and regulatory adherence remains strong. Experience encompasses overseeing pharmacy operations, nurturing talent for potential growth, and ensuring adherence to ethical standards. Thriving in dynamic environments, eagerness to foster collaboration within healthcare teams builds positive work culture.

EXPERIENCE

Pharmacy Operations Supervisor

Health First Medical Center 📅 June 2022 - Present 📍 Springfield, IL

Currently managing pharmacy operations within a busy hospital setting, focusing on optimizing processes and staff productivity. Collaborated effectively with clinical staff members ensuring timely medication distribution and inventory upkeep.

- Supervise daily pharmacy activities, streamlining workflows, resulting in significant turnaround improvements.
- Develop and employ systematized training programs fostering confident and competent pharmacy technicians.
- Regularly assess and report on key performance indicators leading to improved operational efficiency metrics.
- Initiate safety protocols that resulted in enhanced vigilance and accountability among pharmacy staff.
- Oversee inventory control measures and supplier negotiations avoiding drug shortages impacting patient care.

Pharmacy Manager

City Hospital 📅 January 2020 - May 2022 📍 Chicago, IL

Oversaw comprehensive pharmacotherapy services involving staff supervision and strategic direction, creating cohesive working relationships across departments. Focused on improving representatives' direct interactions on-site.

- Designed policies for hazardous compounds establishing clear guidelines ensuring safety compliance.
- Facilitated communication between nursing staff and pharmacy enhancing administration practices.
- Conducted professional development events augmenting staff's skills while promoting teamwork.
- Implemented advanced dispensing systems allowing better tracking and effective waste reduction.
- Participated actively in audit preparations attaining commended compliance standings.

Pharmacy Technician Lead

Regional Health Services 📅 July 2018 - December 2019 📍 Peoria, IL

Assumed leadership role with the ability to coordinate and elevate team performance amidst an array of responsibilities associated with a high-volume pharmacy environment.

- Spearheaded workflow coordination of ancillary pharmacy technicians guaranteeing precise and rapid dispensing of medications.
- Trained incoming technicians emphasizing practice-based learning workshops focused on safety measures.
- Engaged closely with pharmacists for verifying prescriptions sharpening operational accuracy.
