EXPERIENCE

Capstone Project Developer

University Project 📅 January 2026 - May 2026 📍 Atlanta, GA

Spearheaded a capstone project focusing on a hypothetical merger. Incorporated essential investment banking techniques while enhancing collaboration skills with peers. Led the development of complex financial models, fostering necessary analytical capabilities crucial for real-world situations.

- Developed comprehensive financial models using 3-Statement Financial Modeling techniques.
- Conducted Discounted Cash Flow (DCF) analyses assessing the merger's viability.
- Created detailed Pitch Books presenting findings effectively to an audience.
- Collaborated with team members on industry research and competitor evaluations.
- Implemented advanced Excel functions increasing accuracy in financial forecasts.
- Recognized by faculty for clarity and depth in presented financial analysis.

Financial Analysis Intern

University Project 📅 September 2025 - December 2025 📍 Atlanta, GA

Supported a research initiative in analyzing investment banking market trends. Gained insights into practical financial operations through mentorship. Developed key reports contributing to strategic recommendations based on actionable insights.

- Assisted in a project analyzing ongoing market trends within investment banking.
- Conducted qualitative and quantitative data gathering aiding valuation analyses.
- Engaged in weekly mentorship calls with seasoned professionals for learning.
- Authored comprehensive reports summarizing key investment strategies.
- Participated in peer feedback sessions fine-tuning analytical presentation methods.
- Boosted PowerPoint skills, delivering impactful presentations for stakeholders.

STRENGTHS

- 📊 **Analytical Thinking**
Able to distill complex financial data into clear insights that guide decisions.
- 👥 **Collaborative Spirit**
Fosters strong team dynamics; peers often seek input on strategic challenges.
- 🗣️ **Effective Communicator**
Conveys complex ideas clearly in both written and oral formats, ensuring understanding.
- 🔄 **Adaptable Learner**
Quickly acquires new skills and tools; eager for continuous improvement opportunities.
- 🔍 **Detail-Oriented**
Meticulously examines financial models for accuracy, ensuring reliability in results.
