SUMMARY

Landscape Technician with three years of groundskeeping experience across institutional, commercial, and community properties. Maintains turf, formal **planting beds**, trees, shrubs, pathways, walls, and seasonal outdoor spaces through changing weather and site demands. Operates riding and **push mowers**, power edgers, weed whips, blowers, tillers, sprayers, tractors, **skid steer loaders**, **dump bed trucks**, trucks, trailers, and hand tools. Applies seed, fertilizer, mulch, soil amendments, and approved landscape chemicals using safe work practices. Supports snow and ice response, vehicle operations, basic exterior maintenance, and emergency grounds assignments. Organizes multiple work orders, communicates clearly with coworkers and property contacts, and protects consistent quality in fast paced operations. Brings dependable service, practical horticultural knowledge, and a steady focus on safe, clean, accessible outdoor spaces.

EXPERIENCE

Landscape Technician, Grounds Operations March 2025 - Present
Wabash Grounds Services Terre Haute, IN

Supports grounds operations across a multi building property portfolio, balancing turf care, horticulture, winter response, equipment use, and public area presentation. Sequences daily assignments around weather, site activity, seasonal needs, and safety requirements.

- Maintained **turf** and beds across multiple properties, improving consistent appearance around active public areas.
- Operated **riding mowers**, push mowers, edgers, **weed whips**, blowers, and hand tools for clean boundaries.
- Prepared beds with tillers, **soil amendments**, flowers, bulbs, shrubs, **ground covers**, and mulch.
- Pruned shrubs, hedges, vines, and small trees, keeping **pathways** accessible and landscape debris removed.
- Applied seed, fertilizer, and approved chemicals according to instructions, equipment requirements, and safe handling practices.
- Supported snow response with plows, spreaders, shovels, and powered equipment during urgent access needs.

Grounds Maintenance Technician, Property Care June 2023 - February 2025
Crossroads Property Care Brazil, IN

Delivered scheduled grounds maintenance for commercial and community properties, coordinating horticultural work, equipment selection, route planning, winter response, vehicle use, and basic exterior upkeep. Adjusted priorities as conditions and customer needs changed.

- Maintained lawns through mowing, **trimming**, edging, weeding, aeration, **dethatching**, and seasonal cleanup.
- Selected mowers, trimmers, **blowers**, **sprayers**, tractors, loaders, trucks, and trailers for varied site conditions.
- Installed **flowers**, ground covers, **shrubs**, and small trees using layout instructions, amendments, and mulch.
- Inspected equipment before use and reported maintenance needs, supporting reliable daily operations.
- Drove company vehicles between properties, securing tools and materials within scheduled service windows.
- Handled leaves, snow, ice, and exterior building tasks while communicating changes with supervisors and contacts.

PROJECTS

Seasonal Campus Grounds Response 📅 2025
Supported seasonal outdoor operations across busy properties, combining turf care, planting bed preparation, pruning, debris removal, and winter access work. Adjusted assignments around weather, site activity, and public safety needs.

Commercial Property Route Operations 📅 2024
Coordinated daily route work across commercial and community sites using landscape equipment, work vehicles, material loading, and customer communication. Completed priority assignments within scheduled service windows.

LEADERSHIP & AWARDS

- Recognized by field supervisors for dependable snow and ice response during changing winter conditions.
- Trusted with varied powered equipment, vehicle operations, and quality sensitive grounds assignments across multiple properties.
- Maintained consistent professional service while adapting daily priorities around weather and active site conditions.
