STRENGTHS

- 👥 **Stakeholder Alignment**
Facilitated tense decision sessions across HR and operations. Teams left with clear ownership, even when priorities shifted.
- ✅ **Adoption Planning**
Used impact reviews and readiness checks before launch. A recurring concern became a focused manager intervention.
- 👤 **Executive Coaching**
Prepared sponsors for visible leadership and resistance conversations. Leaders gained confidence with sensitive employee messages.
- 💡 **Practical Facilitation**
Turned broad transformation goals into role decisions and action plans. Participants often returned for difficult sessions.
- ♥️ **Sustainment Focus**
Reviewed feedback after go live rather than closing work early. Teams addressed friction before new practices faded.

SUMMARY

Lead **change management** consultant with 12 years guiding complex organizational transformations, **project delivery**, and **operational change** across HR, shared services, and enterprise functions. Hands on Prosci and ADKAR practice supports **stakeholder analysis**, impact assessment, adoption planning, communications, facilitation, readiness, and sustainment. Executive sponsors, functional leaders, project teams, and employee groups receive practical roadmaps that connect business goals with role impacts, manager actions, learning, and reinforcement. Independent ownership covers planning, implementation, and post launch adoption for distributed workforces and sensitive policy, process, technology, and operating model changes. Cross functional facilitation turns competing priorities into clear decisions and accountable delivery. Experience can support organizations seeking durable behavior change, thoughtful consulting, and steady execution across varied audiences.

EXPERIENCE

Lead Change Management Consultant

Summit Ridge Advisory Group 📅 July 2022 - Present 📍 Denver, Colorado

Lead **change strategy** across HR and **shared services** transformations affecting more than 8,000 employees. Own stakeholder alignment, communications, readiness, adoption, facilitation, and sustainment while advising executives and project leaders.

- Directed **HR transformation** change plans across 8,000 employees, strengthening readiness before major implementation milestones.
- Applied Prosci and ADKAR assessments to sequence interventions around adoption barriers and stakeholder concerns.
- Translated operating model goals into sponsor actions, **manager engagement**, learning, communications, and reinforcement roadmaps.
- Facilitated HR, finance, operations, technology, and communications decisions, clarifying ownership across competing priorities.
- Coached executive sponsors through **resistance management** and audience specific messaging for sensitive **policy transitions**.
- Established sustainment reviews using adoption indicators, feedback, and operational observations after launch.

Senior Change Management Consultant

Redwood People Strategy 📅 April 2019 - June 2022 📍 Portland, Oregon

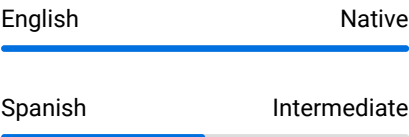

Led change workstreams for HR technology and service delivery programs across business units. Connected project delivery, **impact assessment**, stakeholder engagement, communications, **training coordination**, readiness, and post launch reinforcement.

- Led **HR technology** change workstreams through planning, implementation, readiness, and **post launch reinforcement**.
- Built stakeholder maps linking system impacts with employee groups, manager needs, and intervention priorities.
- Designed executive and manager sessions that converted transformation goals into decisions and communication commitments.
- Created communication toolkits, FAQs, talking points, and adoption resources for varied audiences.
- Integrated change milestones with project plans, surfacing readiness dependencies early enough to protect schedules.
- Reviewed feedback and support themes, then adjusted learning materials for new HR workflows.
