SUMMARY

Dedicated pharmacist with over 5 years in oncology pharmacy, specializing in medication management and patient care. Demonstrated success in overseeing pharmacy operations while ensuring compliance with regulations. Passionate about optimizing pharmacy workflows and training staff in a comprehensive Cancer Center setting. Committed to delivering high-quality pharmaceutical care rooted in compassion, efficiency, and teamwork. Look forward to contributing expertise in advancing medication management strategies for better patient outcomes.

EXPERIENCE

Lead Oncology Pharmacist

Oncology Pharmacy Associates 📅 January 2025 - Present 📍 Wilmington, NC

Oversaw pharmacy operations within a busy oncology department, ensuring regulatory compliance and the delivery of quality patient care. Provided mentorship and guided training for new pharmacists, fostering a collaborative environment focused on patient safety and management.

- Supervised medication dispensing processes, ensuring adherence to all relevant local and federal regulations.
- Trained new pharmacists to enhance their competency in specialized oncology medications and practices.
- Collaborated with interdisciplinary teams to create effective medication management strategies for complex patient needs.
- Conducted audits within pharmacy workflows, identifying inefficiencies and implementing solutions for continuous improvement.
- Facilitated patient assessments to guide individualized pharmaceutical care plans, prioritizing optimal therapeutic outcomes.
- Scheduled inventory management for critical drugs, negotiating with suppliers for timely procurement and cost efficiency.

Clinical Pharmacist

CarePlus Pharmacy 📅 June 2023 - December 2024 📍 Greenville, NC

Engaged with oncology patients, creating tailored medication plans aligned with best practices. Actively participated in clinical rounds with healthcare teams to optimize treatment approaches, utilizing insights from consultations.

- Designed and implemented medication management plans, working closely with patients to ensure adherence and understanding.
- Provided education during direct patient interactions regarding medications, side effects, and self-management techniques.
- Participated actively in case discussions during clinical team meetings, driving improvements in patient care strategies.
- Mentored pharmacy interns, sharing knowledge on oncology protocols and engaging them in real-life patient cases.
- Leveraged management software to monitor prescription trends and patient outcomes efficiently.
- Coordinated with diverse medical professionals to continuously adjust pharmacotherapy evidenced by patient responses.

Staff Pharmacist

HealthFirst Pharmacies 📅 May 2021 - May 2023 📍 Jacksonville, NC

Focused on dispensing medications and providing comprehensive pharmaceutical care to a varied patient demographic. Developed community outreach initiatives aimed at promoting medication safety.

- Dispensed prescribed medications while evaluating potential drug interactions for safe usage.

MY CAREER

- Lead Oncology Pharmacist at Oncology Pharmacy Associates (1.5 Years)
- Clinical Pharmacist at CarePlus Pharmacy (1.5 Years)
- Staff Pharmacist at HealthFirst Pharmacies (2 Years)

- Provided counseling to patients on medication therapy, reinforcing correct usage to improve health outcomes.
- Implemented a new pharmacy management system, significantly enhancing workflow and reducing waiting times.
- Actively collaborated with healthcare providers, advocating for patient-centered practices in medication management.
- Monitored ongoing patient medication compliance, responding proactively to non-adherence issues.
- Led community workshops on medication safety, helping raise awareness about responsible pharmaceutical practices.
