STRENGTHS

- 🗣️ **Guest consultation**
A careful opening conversation helped clarify comfort, health considerations, and treatment goals before hands on care.
- ♥️ **Personalized treatment**
Pressure and technique changed with each guest. That flexibility supported comfort, trust, and repeat appointments.
- ✓ **Room readiness**
Between appointments, clean linens, sanitized equipment, and organized supplies kept service transitions calm and reliable.
- 📖 **Wellness education**
Simple explanations about treatment benefits and home practices gave guests useful next steps after service.
- 🕒 **Peak period service**
Evenings, weekends, holidays, and busy seasons called for steady pacing. Guests still received attentive care.
