STRENGTHS

- 🗣️ **Consultative discovery**
Asks practical questions during client meetings, then connects network needs with services that fit real operations.
- 📍 **Territory prospecting**
Built pipeline through calls, field visits, referrals, and events. Local conversations often opened stronger opportunities.
- 💡 **Solution storytelling**
Turns technical details into clear business presentations, helping decision makers see value without inflated claims.
- 🧠 **Commercial judgment**
Uses ROI analysis and careful negotiation to protect solution fit, margin, and customer confidence during approval.
- 👥 **Account continuity**
Documents scope and commitments during handoffs. Partners gained clarity, and customers received a smoother start.

SKILLS

- Consultative Sales
- B2B Telecommunications
- Mid Market Sales
- Business Development
- Territory Management
- Data Solutions Voice Solutions
- Video Solutions LAN WAN
- Fiber Networks SalesForce CRM
- Needs Analysis Negotiation

SUMMARY

Mid market B2B sales professional with five years of consultative experience across telecommunications, business connectivity, voice, data, video, LAN, WAN, high capacity, and fiber connected network services. Builds qualified territory pipelines through **telephone prospecting**, field visits, referrals, networking, and **industry events**. Guides prospects through discovery, **needs analysis**, solution design, proposals, presentations, ROI analysis, negotiation, and close. Maintains accurate SalesForce opportunity records, coordinates site surveys, and supports clear account handoffs with **account management** and service delivery teams. Uses Excel, Word, PowerPoint, and Outlook to support organized sales execution. Valid Ohio driver license and safe driving record support field based territory coverage. Brings practical technical knowledge, disciplined follow through, and a customer focused approach that supports revenue growth and lasting retention.

EXPERIENCE

Mid Market Account Executive

Northstar Fiber Solutions 📅 January 2025 - Present 📍 Columbus, Ohio

Owns territory sales for fiber internet, data connectivity, hosted voice, and video services. Leads consultative discovery, proposal development, site survey coordination, commercial negotiation, closing, and sold account transition while supporting monthly revenue performance and long term retention.

- Managed fiber, **voice**, data, and **video** pipeline across small and mid market accounts.
- Translated **LAN**, WAN, bandwidth, resiliency, and growth needs into tailored service proposals.
- Generated qualified opportunities through calls, field visits, referrals, networking groups, and **industry events**.
- Coordinated **site surveys** and **ROI analyses**, clarifying installation needs and commercial value.
- Presented solutions, negotiated terms, and closed new logo and expansion opportunities.
- Transferred sold accounts with documented scope, contacts, commitments, and implementation expectations.

Account Executive

Lakefront Business Telecom 📅 July 2023 - December 2024 📍 Cleveland, Ohio

Sold B2B voice, data, and connectivity services for growing companies with office, multi site, and customer facing needs. Managed discovery, proposal creation, opportunity qualification, CRM discipline, **negotiation**, **closing**, forecasting, and post sale coordination with account management and operations.

- Sold B2B voice, **data**, and connectivity solutions after structured **needs analysis**.
- Created account specific proposals and PowerPoint **presentations** for varied business use cases.
- Qualified opportunities through cold calls, field visits, events, and referral channels.
- Maintained **SalesForce** stages, contacts, activities, forecasts, and next steps for management visibility.
- Negotiated pricing and procurement concerns, moving qualified opportunities toward final approval.
- Coordinated post sale handoffs around ordered services, installation dependencies, and customer expectations.

Business Sales Representative

Buckeye Connectivity Group 📅 October 2021 - June 2023 📍 Dayton, Ohio

Developed an early career business sales portfolio for internet, voice, and communication services. Built prospecting habits, learned practical network concepts, prepared customer materials, documented CRM activity, and applied coaching in objection handling, negotiation, and closing.

- Developed business customers through outbound prospecting and local relationship building.

MY CAREER

- Mid Market Account Executive at Northstar Fiber Solutions (1.7 Years)
- Account Executive at Lakefront Business Telecom (1.4 Years)
- Business Sales Representative at Buckeye Connectivity Group (1.7 Years)

- Documented connectivity pain points, user needs, current services, and anticipated growth during discovery.
- Explained LAN, **WAN**, bandwidth, and fiber concepts in clear business language.
- Prepared quotes and ROI comparisons with Excel, Word, and PowerPoint for service evaluation.
- Recorded lead status, customer information, activity, and follow up commitments in **CRM systems**.
- Applied sales coaching on objections, negotiation, and closing during recurring product training.

PROJECTS

Fiber Connectivity Territory Expansion 📅 2025

Built a territory pipeline for fiber internet, hosted voice, and video services. Connected network requirements with proposals, site surveys, ROI reviews, and account transition planning.

Multi Site Business Communications Sales Program 📅 2024

Developed proposals for office and multi site customers seeking voice, data, and continuity solutions. Used discovery, presentations, CRM tracking, and commercial negotiation to guide opportunities forward.

LEADERSHIP & AWARDS

- Recognized for consistent pipeline development across fiber, voice, data, and video opportunities.
- Selected as a trusted peer resource for consultative discovery, proposal quality, and customer handoffs.
