

STRENGTHS

- Discreet Passenger Care

Sensitive conversations stayed private during executive routes, and passengers received calm, courteous service throughout.
- Route Judgment

Traffic and weather changed quickly, so route decisions kept fixed commitments practical and passengers informed.
- Vehicle Readiness

Pre trip checks caught developing concerns early. That habit kept vehicles orderly and assignments dependable.
- Roadside Composure

When a vehicle issue surfaced away from base, practical troubleshooting supported a safe next step.
- Secure Messenger Service

Official documents moved with confirmed custody and accurate routing, a detail colleagues consistently trusted.

SUMMARY

Motor Vehicle Operator with four years of experience providing secure passenger transportation, **messenger support**, document delivery, and vehicle care in security conscious environments. Operates gasoline, **plug in hybrid**, electric, and diesel vehicles through congested metropolitan traffic, highways, changing weather, and time sensitive routes. Supports senior leaders with courtesy, discretion, confidentiality, sound judgment, and dependable schedule management. Completes pre trip and **post trip inspections**, evaluates vehicle condition, troubleshoots automotive systems, and performs minor roadside repairs when needed. Maintains orderly vehicles, accurate trip information, secure document custody, and reliable service with limited supervision. Brings practical experience supporting official travel, administrative sites, regional destinations, and **off station driving** while meeting physical inspection demands and credentialing expectations.

EXPERIENCE

Executive Motor Vehicle Operator

- Potomac Executive Transport Services

October 2024 - Present

Alexandria, VA
- Supports senior organizational leaders across Washington metropolitan routes, combining secure **executive transportation**, messenger service, vehicle inspections, route decisions, and discreet passenger care. Works independently across urban traffic, highways, weather changes, and extended trips while preserving schedule commitments and **confidential information**.
- Transport senior leaders through **metropolitan traffic** while protecting privacy and meeting fixed arrival commitments.

Operate gasoline, PHEV, electric, and diesel vehicles across highways, congestion, weather, and extended trips.

Complete **pre trip inspections** and document vehicle condition before equipment returns to service.

Protect sensitive conversations, itineraries, and documents through discreet passenger service and disciplined confidentiality.

Troubleshoot vehicle issues and perform minor **roadside repairs** away from the primary operating location.

Deliver **official documents** between administrative sites with secure custody and accurate routing.

Motor Vehicle Operator

- Blue Ridge Government Support

October 2022 - September 2024

Fairfax, VA
- Provided dependable transportation for officials and authorized passengers between offices, meetings, transportation hubs, and regional destinations. Managed route changes, vehicle readiness, document custody, and practical automotive **troubleshooting** while maintaining **orderly work practices** and reliable fleet availability.
- Transport officials and authorized passengers between offices, meetings, hubs, and regional destinations safely.

Plan daily routes around congestion, road restrictions, weather, and schedule changes for punctual service.

Inspect fluids, tires, controls, charging status, fuel level, and safety equipment before assignments.

Apply **automotive systems** knowledge to diagnose minor operating problems and support safe roadside decisions.

Maintain clean, orderly vehicles and accurate trip information for dependable fleet availability.

Handle official packages and documents with **tact, discretion**, confirmed delivery, and secure custody.

PROJECTS

- Regional Executive Route Support
