STRENGTHS

- 👥 **Differentiated Instruction**
Learner groups often varied widely, so lessons used modeling, visuals, guided practice, and flexible scaffolds.
- 👤 **Family Partnership**
Progress conferences turned assessment evidence into clear next steps, helping families feel informed and included.
- ♥ **Student Advocacy**
Counselors and teachers were brought together early when learners needed academic, social, or emotional support.
- ♥ **Calm Classroom Leadership**
Predictable routines and restorative responses helped students rejoin learning after difficult moments.
- 🧠 **Collaborative Planning**
Content teachers and paraeducators received clear objectives and groupings, making shared instruction smoother.

SUMMARY

Multilingual learner educator with eight years of secondary teaching experience in culturally, linguistically, racially, and **economically diverse** urban schools. Builds standards aligned instruction that connects language development with grade level content, formative assessment, and differentiated support for varied proficiency levels. Creates welcoming classrooms through clear expectations, restorative practices, **culturally responsive teaching**, and timely academic or social emotional referrals. Uses student work, oral language evidence, assessment records, and **family communication** to guide instructional decisions and document progress. Partners with content teachers, counselors, administrators, specialists, families, and paraeducators to support achievement and transitions into mainstream coursework. Contributes to curriculum review, committees, professional learning, and **instructional improvement**, bringing steady judgment, flexibility, and care to each learner. Ready to contribute practical classroom experience and collaborative service in a secondary multilingual learner program.

EXPERIENCE

Multilingual Learner Teacher

Rainier View High School 📅 August 2022 - Present 📍 Tacoma, WA

Lead secondary multilingual learner instruction across proficiency levels and grade level content areas.
