MY CAREER

- Early Childhood Practicum, Preschool Classroom Support at Early Learning Practicum (4 Months)
- Youth Program Volunteer, Child Enrichment at Community Child Enrichment Program (2 Months)
- Activity Coordinator, Early Childhood Peer Study Group at Chemeketa Community College (8 Months)

Supported supervised enrichment sessions for **young children**, preparing activities, welcoming families, following lead staff direction, and maintaining clean snack and play areas.

- Set up activity stations and greeted families before supervised enrichment sessions began each program day.
- Read picture books and led simple art and movement activities with clear transition cues.
- Used calm redirection and positive reinforcement to support safe participation during shared play.
- Prepared replacement materials for recurring sessions, helping staff begin activities without setup delays.
- Cleaned tables, play materials, and snack areas before and after child use.
- Communicated schedule changes and pickup information accurately while protecting family privacy.

Activity Coordinator, Early Childhood Peer Study Group

Chemeketa Community College 📅 September 2025 - May 2026 📍 Salem, OR

Coordinated peer learning activities focused on early childhood curriculum, positive guidance, classroom organization, family communication, and safe learning environments.

- Organized peer sessions covering preschool routines, activity preparation, observation, sanitation, and **positive guidance**.
- Shared curriculum planning tools that helped classmates connect activities with developmental learning objectives.
- Facilitated practice scenarios focused on calm redirection, transition cues, and respectful child communication.
- Maintained shared materials and schedules so study group sessions started with clear preparation.
- Collected peer feedback and adjusted activity explanations for clearer pacing and practical classroom use.

PROJECTS

Child Development Curriculum Project 📅 2025

Created a four week preschool unit linking language, movement, social emotional learning, and early numeracy. Built activity plans, supply checklists, transition cues, adaptations, observation templates, sanitation procedures, and family communication samples.
